Baseball Prospectus 2014 Baseball Prospectus, 2014-02-25 The bestselling annual baseball preview from the smartest analysts in the business Now in its 19th edition the Baseball Prospectus annual shows once again how it became the industry leader The 2014 edition includes key stat categories more controversial player predictions and the kind of wise witty baseball commentary that makes this phone book thick tome worth reading cover to cover Baseball Prospectus 2014 provides fantasy players and insiders alike with prescient PECOTA projections which Sports Illustrated has called perhaps the game's most accurate projection model Still stats are just numbers if you don't see the larger context and Baseball Prospectus brings together an elite team of analysts to provide the definitive look at all thirty teams their players their prospects and their managers to explain away flukes hot streaks injury tainted numbers and park effects Victory after all could come down to choosing between the supposed sleeper and the overrated prospects who won't be able to fool people in the Show like they have down on the farm Nearly every major league team has sought the advice of current or former Prospectus writers and readers of Baseball Prospectus 2014 will understand what all those fans have been raving about If you're a baseball fan and you don't know what BP is you're working in a mine without one of those helmets with the lights on it Keith Olbermann The first time I saw the PECOTA projections I realized that someone out there understood Jeff Luhnow General Manager Houston Astros For me every year baseball begins with the big brilliant beautiful book you are holding in your hands right now Joe Posnanski Baseball Prospectus 2013 correctly predicted Disappointing performances by Albert Pujols Dan Haren Michael Bourn Justin Upton and Tommy Hanson Breakouts by Paul Goldschmidt Freddie Freeman Kyle Seager Matt Moore Shelby Miller and Jason Kipnis as well as bounceback seasons from Jayson Werth and Shin Soo Choo That Max Scherzer would be a Cy Young contender and Michael Wacha ace in waiting for the Cardinals That Wil Myers would be a middle of the order bat for Tampa Bay and Josh Donaldson would finally win the Rich Harden trade for the A's That CC Sabathia's velocity drop could be a problem but Felix Hernandez's would not be That Joaquin Benoit Kenley Jansen and Koji Uehara were better bullpen bets than pre season closer picks Bruce Rondon Brandon League and Joel Hanrahan

Crimmigration under International Protection Rottem Rosenberg-Rubins, 2023-03-23 By exploring crimmigration at its intersection with international refugee law this book exposes crimmigration as a system focused on the governance of territorially present migrants which internalizes the impracticability of removal and replaces expulsion with domestic policing The convergence of criminal law and immigration law known as crimmigration has become perhaps the paradigmatic model for governing migration in the age of globalization This book offers a unique way of understanding crimmigration as a system of governmentality the primary target of which is the population its principal form of knowledge being political economy and its essential mechanism being the apparatus of security It does so by characterizing a particular model of crimmigration termed crimmigration under international protection which targets refugees and asylum seekers who are principally undeparable

under international law. The book draws on comparative research of such models implemented worldwide combined with a detailed case study of the immigration detention system instigated in Israel for coping with asylum seekers specifically and exclusively. These models demonstrate that at its core crimmigration is not a system of outright social exclusion focused on the expulsion of undesirable migrants but rather one focused on the management classification and policing of domestic populations. It is argued that under crimmigration regimes criminal law becomes instrumental in the facilitation of gradual assimilation by shifting immigration enforcement from the margins of the state to the daily supervision of territorially present migrants. The book illustrates this point by focusing on three main themes: crimmigration as domestication, crimmigration as civic stratification and crimmigration as a mechanism coined by Foucault as the apparatus of security and by Deleuze as the society of control. By exploring these themes the book offers a comprehensive framework for understanding the rise of crimmigration and the particular ways in which it targets resident migrants. The book will be of interest to researchers and academics working in the areas of criminal law and criminology, immigration law, citizenship studies, globalization studies, border studies and critical refugee studies.
