2013 Grade 1memo Physical Science Paper

Cassidy Puckett

2013 Grade 1memo Physical Science Paper:

Redefining Geek Cassidy Puckett,2022-04-20 After six years teaching technology classes to first generation low income middle school students in Oakland California Cassidy Puckett has seen firsthand that being good with technology is not something people are born with it s something they learn In Redefining Geek she overturns the stereotypes around the digitally savvy and identifies the habits that can help everyone cultivate their inner geek Through her solid research and her experiences with working with diverse student learners Puckett does an exemplary job in helping readers understand and rethink what it means to be technologically competent This knowledge and her guidance coupled with a thorough examination of how our biases can further exacerbate the digital divide is beneficial in designing tech curriculum and programs that are more inclusive and supportive to the diverse communities that they are serving A must read for any professional seeking to improve and advance technology education Susanne Tedrick author of Women of Color in Tech

Investigating Light and Shadow with Young Children (Ages 3-8) Beth Dykstra Van Meeteren,2022-06-17 Children are intrigued by switches that power a light source and by items that reflect light and sparkle and they take notice of personal shadows cast on the playground An understanding of light and shadow is crucial to many STEM fields including astronomy biology engineering architecture and more This book shows teachers how to engage children ages 3 8 with light and shadow in a playful way building an early foundation for the later more complex study of this phenomena and ultimately for children s interest in professions within the STEM fields The text offers guidance for arranging the physical environment of classrooms integrating literacy learning and investigations and building partnerships with administrators Each volume in the STEM for Our Youngest Learners Series includes examples of educators and children engaging in inquiry learning guidance for selecting materials and arranging the learning environment modifications and accommodations for diverse learners support for establishing adult learning communities and more
