## MEMORANDUM CIRCULAR NO. 81

Office of the President  
Malacañang

### MEMORANDUM CIRCULAR NO. 81

To provide government employees full opportunity to properly observe Maundy Thursday and Good Friday on 17-18 April 2025, and to allow them to travel to and from the different regions in the country, the following arrangements are hereby adopted in government offices on 18 April 2025: (a) work from home from 8:00 in the morning to 12:00 in the afternoon, subject to existing laws, rules and regulations; and (b) suspension of work in government offices, from 12:00 in the afternoon onwards.

However, agencies whose functions involve the delivery of basic and health services, preparedness/response to disasters and calamities, and/or the performance of other vital services shall continue with their operations under usual working arrangements and render the necessary services.

The adoption of work from home and suspension of work for private companies and offices is left to the discretion of their respective employers.

This Circular shall take effect immediately.

By authority of the President:

  
LORNA M. BERNALDO  
Executive Secretary

# 2013 Gradechemistry Memo

**Barbara Oakley, PhD, Terrence  
Sejnowski, PhD, Alistair McConville**

## 2013 Gradechemistry Memo:

**Learning How to Learn** Barbara Oakley, PhD, Terrence Sejnowski, PhD, Alistair McConville, 2018-08-07 A surprisingly simple way for students to master any subject based on one of the world's most popular online courses and the bestselling book *A Mind for Numbers* *A Mind for Numbers* and its wildly popular online companion course *Learning How to Learn* have empowered more than two million learners of all ages from around the world to master subjects that they once struggled with. Fans often wish they'd discovered these learning strategies earlier and ask how they can help their kids master these skills as well. Now in this new book for kids and teens the authors reveal how to make the most of time spent studying. We all have the tools to learn what might not seem to come naturally to us at first; the secret is to understand how the brain works so we can unlock its power. This book explains why sometimes letting your mind wander is an important part of the learning process. How to avoid rut, think in order to think outside the box. Why having a poor memory can be a good thing. The value of metaphors in developing understanding. A simple yet powerful way to stop procrastinating. Filled with illustrations, application questions and exercises, this book makes learning easy and fun.

**Teaching at Its Best** Linda B. Nilson, 2016-06-22 The classic teaching toolbox updated with new research and ideas. *Teaching at Its Best* is the bestselling research-based toolbox for college instructors at any level in any higher education setting. Packed with practical guidance, proven techniques and expert perspectives, this book helps instructors improve student learning both face to face and online. This new fourth edition features five new chapters on building critical thinking into course design, creating a welcoming classroom environment, helping students learn how to learn, giving and receiving feedback and teaching in multiple modes along with the latest research and new questions to facilitate faculty discussion. Topics include new coverage of the flipped classroom, cutting edge technologies, self-regulated learning, the mental processes involved in learning and memory and more in the accessible format and easy to understand style that has made this book a much valued resource among college faculty. Good instructors are always looking for ways to improve student learning. With college classrooms becoming increasingly varied by age, ability and experience, the need for fresh ideas and techniques has never been greater. This book provides a wealth of research-backed practices that apply across the board. Teach students practical, real-world problem solving. Interpret student ratings accurately. Boost motivation and help students understand how they learn. Explore alternative techniques, formats, activities and exercises. Given the ever-growing body of research on student learning, faculty now have many more choices of effective teaching strategies than they used to have along with many more ways to achieve excellence in the classroom. *Teaching at Its Best* is an invaluable toolbox for refreshing your approach and providing the exceptional education your students deserve.
