Fc Mediated Activity of Antibodies Jeffrey V.

Ravetch,Falk Nimmerjahn,2019-09-03 This volume explores several aspects of how antibodies mediate their activity in vivo ranging from cancer immunotherapy to autoimmunity infection and vaccination Divided into seven chapters it provides in depth insights into how antibodies and especially the antibody fragment crystallizable Fc domain modulate immune

responses and antibody activity. The book begins by discussing evolutionary aspects of how the family of Fc receptors that are the key molecules for antibody activity evolved. In turn it addresses the molecular and cellular pathways underlying IgG activity in cancer immunotherapy and focuses on how IgG glycosylation regulates IgG and IgE activity in autoimmunity, allergy and infection. In closing it presents strategies for developing novel antibody based vaccination approaches. The book is intended for a very broad readership including graduate students, postdocs and principal investigators with a basic grasp of immunology.

Making Cultures of Solidarity Diarmaid Kelliher, 2021-05-10

This book combines radical history, critical geography and

political theory in an innovative history of the solidarity campaign in London during the 1984 5 miners strike Thousands of people collected food and money joined picket lines and demonstrations organised meetings travelled to mining areas and hosted coalfield activists in their homes during the strike The support campaign encompassed longstanding elements of the British labour movement as well as autonomously organised Black lesbian and gay and feminist support groups This book shows how the solidarity of 1984 5 was rooted in the development of mutual relationships of support between the coalfields and the capital since the late 1960s It argues that a culture of solidarity was developed through industrial and political struggles that brought together diverse activists from mining communities and London The book also takes the story forward exploring the aftermath of the miners strike and the complex legacies of the support movement up to the present day This rich history provides a compelling example of how solidarity can cross geographical and social boundaries This book is essential reading for students scholars and activists with an interest in left wing politics and history
