SUBJECT : Prescribing Policies, Guidelines and Procedures in the Availment of the Eight Percent (8%) Income Tax Rate Option for Individuals Earning from Self-Employment and/or Practice of Professions

TO : All Internal Revenue Officials, Employees and Others Concerned

I. Objective

This Order is being issued to prescribe policies, guidelines and procedures in availing the eight percent (8%) income tax rate option of individuals earning from self-employment/business and/or practice of profession relative to the implementation of the Republic Act No. 10963, otherwise known as "Tax Reform for Acceleration and Inclusion (TRAIN) Act".

II. Policies and Guidelines

Eight Percent (8%) Income Tax Rate Option for Individuals

1. In general, income of self-employed individuals (includes Single Proprietors, Professionals and Mixed Income Earners) is subject to the graduated income tax rates as provided under Section 24 (A)(2)(a) of the NIRC, as amended.
2. Self-employed individuals earning income purely from self-employment/business and/or practice of profession whose gross sales and/or receipts and other non-operating income does not exceed the Value-Added Tax (VAT) threshold of Three Million Pesos (P 3,000,000.00) shall have the option to avail of the following:
 - a. Graduated income tax rates as provided under Section 24 (A)(2)(a) of the NIRC, as amended; or
 - b. Eight percent (8%) tax on gross sales or receipts and other non-operating income in excess of Two Hundred Fifty Thousand Pesos (P 250,000.00) in lieu of the graduated income tax rates and percentage tax under Section 116 under the NIRC, as amended.
3. Individuals earning income both from compensation and from self-employment (business or practice of profession) or Mixed Income Earners shall apply the following income tax rates:
 - 3.1 The compensation income shall be subject to graduated income tax rates as provided under Section 24 (A)(2)(a) of the NIRC, as amended; and
 - 3.2 The income from business or practice of profession shall be subject to the following:
 - a. If the gross sales/receipts and other non-operating income do not exceed the VAT threshold, the individual has the option to be taxed at:
 - i. Graduated income tax rates as provided under Section 24 (A)(2)(a) of the NIRC, as amended; or

2014 Memorandum Geography December:

Geographies of Displacement/s Kendra Strauss, 2023-05-29 This book assembles cutting edge contemporary research and thinking on multiple forms and meanings of displacements and their geographies patterns of shifting dislocation or putting out of place substitutions of one idea for another or the unconscious transfer of intense feelings or emotions activities occurring outside their normal context and replacements of one thing by another The COVID 19 pandemic declared by the World Health Organization in 2020 produced new displacements and intensified existing patterns of displacement and dispossession At the same time socionatural displacements floods fires droughts hurricanes sea level rise species loss and dislocation were the backdrop to the displaced and deferred hopes of the 2021 United Nations Climate Change Conference The chapters in this volume contend with how we as geographers conceptualize and theorize displacements the range of sites spaces processes affects scales and actors we study with to understand them and what is at stake politically in how we research displacements It is also a pandemic archive of academic labor in which we find traces of displacements within and beyond the academic discipline of geography Geographies of Displacement s will be of particular interest to students scholars and researchers of Geography including those interested in human geography socio natural displacements and the politics of migration and displacement The chapters in this book were originally published as a special issue of Annals of the American Association of Geographers

Peer-to-peer Accommodation and Community Resilience

Anna Farmaki, Dimitri Ioannides, Stella Kladou, 2022-03-16 The growth of peer to peer P2P accommodation has been remarkable However the rapid expansion of the phenomenon has yielded several concerns over its potentially negative economic social and environmental impacts These impacts are highlighted in policy agendas as an emerging problem encountered by many local communities in destinations experiencing a boom in P2P accommodation Specifically concerns have been raised over the impact of the growth of P2P accommodation on local housing markets residents well being and the environment as a result of the touristification of residential areas In fact many observers accuse P2P accommodation of fuelling the overtourism problem that several destinations face This edited book addresses the need to examine the P2P accommodation phenomenon from a community resilience lens In particular through a collection of chapters presenting a range of empirical and conceptual perspectives from urban and rural communities the book considers the implications of P2P accommodation growth on the resilience of local communities and the sustainable development of places

Towards a Cultural Politics of Climate Change provides a new perspective on how climate change matters in policy making business and everyday life It argues that the work of low carbon transitions takes place through the creation of devices the mobilisation of desires and the articulation of dissent Using case studies from the US Australia and Europe the book examines the creation and contestation of new forms of cultural politics of how a climate changed society is articulated realized and contested Through this approach it opens up questions about how where and by whom climate politics is conducted and the ways in which we might respond differently to this societal challenge This book provides a key reference point for the emerging academic community working on the cultural politics of climate change and a means through which to engage this new area of research with the broader social sciences Children of Migrants in China

Children of Migrants in China Kam Wing Chan, Yuan Ren, 2020-11-25 Children are precious in China especially as its population ages rapidly The unprecedented fast urbanization and massive internal migration have profoundly changed almost every aspect of society They have impacted the livelihood of children of migrants most Because of the hukou system and related policies China s internal migrants face major obstacles to assimilate into cities But more than that as this book shows these policies have also torn families apart on a scale unseen heretofore More than 100 million children grow up in unstable families and the great majority have suffered from prolonged separation from their parents in the migratory upheaval This book provides an updated analysis of this mega and painful process unfolding at various geographical scales The chapters revolve around the central notion of family togetherness or the lack thereof The book measures dissects and analyses the impacts of migration on children and recommends policies to address major problems from a variety of disciplinary perspectives employing different methodologies The problems faced by the children of migrants remain enormous and it is a looming huge crisis in the making If unaddressed those problems can damage a whole generation with serious consequences The chapters in this book were first published in Eurasian Geography and Economics Debt and Austerity Jodi Gardner, Mia Gray, Katharina Moser, 2020-11-27

This book explores the complex interactions between debt and austerity analysing the social economic and legal implications of governments responses to the 2008 financial crisis Union Catalog of Serials Currently Received in the Libraries of the University of Wisconsin--Madison University of Wisconsin--Madison. Cultural Statecraft Tuomas Forsberg, Sirke Mäkinen, 2021-11-04 This book focusses on Russia s cultural statecraft in dealing with a number of institutional cultural domains such as education museums and monuments high arts and sport It analyses to what extent Russia s cultural activities abroad have been used for foreign policy purposes and perceived as

having a political dimension Building on the concept of cultural statecraft the authors present a broad and nuanced view of how Russia sees the role of culture in its external relations how this shapes the image of Russia and the ways in which this cultural statecraft is received by foreign audiences The expert team of contributors consider what choices are made in fostering this agenda how Russian state authorities see the purpose and limits of various cultural instruments to what extent can the authorities shape these instruments what domains have received more attention and become more politicised and what fields have remained more autonomous The methodological research design of the book as a whole is a comparative case study comparing the nature of Russian cultural statecraft across time target countries and diverse cultural domains It will be of interest to scholars and students of Russian foreign policy and external relations and those working on the role of culture in world politics

The State of African Cities, 2014 United Nations Publications, 2015-09-10 The African continent is currently in the midst of simultaneously unfolding and highly significant demographic economic technological environmental urban and socio political transitions Africa's economic performance is promising with booming cities supporting growing middle classes and creating sizable consumer markets Despite significant overall growth the continent continues to suffer under very rapid urban growth accompanied by massive urban poverty and many other social problems These seem to indicate that the development trajectories followed by African nations since post independence may not be able to deliver on the aspirations of broad based human development and prosperity for all This report therefore argues for a bold re imagining of prevailing models in order to steer the ongoing transitions towards greater sustainability based on a thorough review of all available options That is especially the case since the already daunting urban challenges in Africa are now being exacerbated by the new vulnerabilities and threats associated with climate and environmental change

Healthy, Resilient, and Sustainable Communities After Disasters Institute of Medicine, Board on Health Sciences Policy, Committee on Post-Disaster Recovery of a Community's Public Health, Medical, and Social Services, 2015-09-10 In the devastation that follows a major disaster there is a need for multiple sectors to unite and devote new resources to support the

rebuilding of infrastructure the provision of health and social services the restoration of care delivery systems and other critical recovery needs In some cases billions of dollars from public private and charitable sources are invested to help communities recover National rhetoric often characterizes these efforts as a return to normal But for many American communities pre disaster conditions are far from optimal Large segments of the U S population suffer from preventable health problems experience inequitable access to services and rely on overburdened health systems A return to pre event conditions in such cases may be short sighted given the high costs both economic and social of poor health Instead it is important to understand that the disaster recovery process offers a series of unique and valuable opportunities to improve on the status quo Capitalizing on these opportunities can advance the long term health resilience and sustainability of communities thereby better preparing them for future challenges

Healthy Resilient and Sustainable Communities After Disasters identifies and recommends recovery practices and novel programs most likely to impact overall community public health and contribute to resiliency for future incidents This book makes the case that disaster recovery should be guided by a healthy community vision where health considerations are integrated into all aspects of recovery planning before and after a disaster and funding streams are leveraged in a coordinated manner and applied to health improvement priorities in order to meet human recovery needs and create healthy built and natural environments The conceptual framework presented in **Healthy Resilient and Sustainable Communities After Disasters** lays the groundwork to achieve this goal and provides operational guidance for multiple sectors involved in community planning and disaster recovery **Healthy Resilient and Sustainable Communities After Disasters** calls for actions at multiple levels to facilitate recovery strategies that optimize community health With a shared healthy community vision strategic planning that prioritizes health and coordinated implementation disaster recovery can result in a communities that are healthier more livable places for current and future generations to grow and thrive communities that are better prepared for future adversities
