In Pursuit of a Multilingual Equity Agenda Meg Gebhard, Kathryn Accurso, 2023-03-10 This critical volume provides accessible examples of how K-12 teachers use systemic functional linguistics (SFL) and action research to support the disciplinary literacy development of diverse learners in the context of high stakes school reform. With chapters from teachers, teacher educators, and researchers, this book paves the way for teachers to act as change agents in their schools to design and implement meaningful curriculum instruction and assessment that builds on students' cultural and linguistic knowledge. Addressing case studies and contexts, this book provides the framework, tools, and resources for instructing and supporting multilingual students and ELLs. This volume, intended for pre- and in-service teachers, aims to improve educators' professional practice through critical SFL pedagogy and helps teachers combat racism and anti-immigrant rhetoric by contributing to an equity agenda in their schools.

Literacy Assessment and Intervention for Classroom Teachers Beverly DeVries, 2017-07-05 The fourth edition of this comprehensive resource helps future and practicing teachers recognize and assess literacy problems while providing practical, effective intervention strategies to help every student succeed. The author thoroughly explores the major components of literacy, providing an overview of pertinent research, suggested methods and tools for diagnosis and assessment, intervention strategies and activities, and technology applications to increase students' skills. Discussions throughout focus on the needs of English learners, offering appropriate instructional strategies and tailored teaching ideas to help both teachers and their students. Several valuable appendices include assessment tools, instructions, and visuals for creating and implementing the book's more than 150 instructional strategies and activities, and other resources.
