(Curtains open to *An Unknown Character* standing on an empty center stage)

### Unknown Figure

You know, I'm kinda sick of it. The pain. The hurt. The sorrow. 'The world is changing' so they say- but what do I have to do with it? Where will I ever come into the picture? Don't give me the '*Oh, everyone matters!*' crap either. Because I *don't* matter. The question is, does anyone? Sure, maybe Einstein or some world-changing soul, but I'm not either. I'm '*just a teenager*'. No one listens 'cos '*my body is going through some changes, hormones and crap*' they tell me. I think it's because they are scared we're right and we aren't them. But the thing is, it's always the same for me: *wake up, shower, get ready eat, go to school, come home, eat, go to bed, repeat*. Where's the world changing in that? What do I have to lose? What does *anyone* have to lose? Romance maybe, but I've been told I'll never find anyone. No one will miss me. Maybe for a month, but they will forget me. The world will keep going. The end. My best of wishes. Goodbye.

Your best and dearest friend,  
No one

*The Legacy of John* Tuomas Rasimus, 2010 This volume investigates the early second century reception of the Fourth Gospel This is an era when its fortunes are surrounded by silence and mystery It was assumed until quite recently that Gnostic and other so called heterodox groups were the first ones to appreciate this gospel and hence the mainstream Christians avoided using it until Irenaeus rescued it for the church Lately this view has been challenged by several scholars for several reasons The contributions in this volume written by leading specialists in their respective fields offer an approachable fresh

comprehensive and up to date view of the second century reception of John s Gospel in a situation where new understandings about various forms of early Christianity and its multiformity have started to emerge      **Catalogue of Printed Books**
