Prosecuting Conflict-related Sexual Violence at the ICTY Serge Brammertz,Michelle J. Jarvis,2016 Although sexual violence directed at both females and males is a reality in many on going conflicts throughout the world today accountability for the perpetrators of such violence remains the exception rather than the rule While awareness of the problem is growing more effective approaches are urgently needed for the investigation and prosecution of conflict related sexual violence crimes Upon its establishment in 1993 the Office of the Prosecutor OTP of the International Criminal Tribunal for the Former Yugoslavia ICTY began the challenging task of prosecuting the perpetrators of conflict related sexual violence crimes alongside the many other atrocities committed during the conflicts in the former Yugoslavia This book documents the experiences achievements challenges and fundamental insights of the OTP in prosecuting conflict related sexual violence crimes at the ICTY over the past two decades It draws on an extensive dossier of OTP documentation court filings trial exhibits testimony ICTY judgements and other materials as well as interviews with current and former OTP staff members The authors provide a unique analytical perspective on the obstacles faced in prioritizing investigating and prosecuting conflict related sexual violence crimes While ICTY has made great strides in developing international criminal law in this area this volume exposes the pressing need for determined and increasingly sophisticated strategies in order to overcome the ongoing obstacles in prosecuting conflict related sexual violence crimes The book presents concrete recommendations to inform future work being done at the national and international levels including that of the International Criminal Court international investigation commissions and countries developing transitional justice processes It provides an essential resource for investigators and criminal lawyers human rights fact finders policy makers rule of law experts and academics

The Global Governance of Climate Change John J. Kirton,Ella Kokotsis,2016-03-03 Climate change control has risen to the top of the international agenda Failed efforts centred in the United Nations to allocate responsibility have resulted in a challenge now reaching crisis stage John J Kirton and Ella

Kokotsis analyse the generation and effectiveness of four decades of intergovernmental regimes for controlling global climate change Informed by international relations theories and critical of the prevailing UN approach Kirton and Kokotsis trace the global governance of climate change from its 1970s origins to the present and demonstrate the effectiveness of the plurilateral summit alternative grounded in the G7 8 and the G20 Topics covered include G7 8 and UN competition and convergence on governing climate change Kyoto obligations and the post Kyoto regime The role of the G7 8 and G20 in generating a regime beyond Kyoto Projections of and prescriptions for an effective global climate change control regime for the twenty first century This topical book synthesizes a rich array of empirical data including new interview and documentary material about G7 8 and G20 governance of climate change and makes a valuable contribution to understanding the dynamics of governing climate change It will appeal to scholars researchers and policy makers interested in the dynamics behind governance processes within the intergovernmental realm
