*The Aztecs were the Native American people who dominated northern Mexico at the time of the Spanish conquest in the early 16th century. They were a nomadic culture, then the Aztecs eventually settled on several small islands where they founded the town of Tenochtitlan, modern-day Mexico City. The Aztec civilization is known for being the last of the great Mesoamerican cultures before the Europeans arrived. They ruled from 1350 to 1519.
