MAKING PREDICTIONS

FREEDOM

Jessica had always loved animals, but she loved the dolphin more than any other animal. She loved the way they could leap into the air with ease and how they would glide majestically through the ocean. One day she went on a school excursion to the ocean life exhibit. They saw seahorses and all different types of fancy fish. Jessica noticed a dolphin behind a glass wall. The dolphin looked out at her with sad eyes. She could see that this beautiful creature didn't have enough room to swim in such a cramped little space. Jessica knew she had to save this poor animal.

The plane couldn't handle the pressure of the storm, and the propellers started to weaken. Within minutes of the storm starting, the engines failed, and the only sound that could be heard was the menacing rumble of thunder booming throughout the sky.
