## 6th Sunday Easter Year C Homily:

Ongoing Conversion: From Good to Better Fr. Henry J. Charles, 2014-01-17 This book is a compilation of homilies of Fr Henry Charles composed and delivered over a period of at least twenty years The homilies were written out and were eventually typed up and it is possible that Fr Henry had himself thought about publishing them though we do not know this for sure While many persons were privileged to receive emailed copies and others actually heard his preaching the homilies were thought to be deserving of a wider audience The underlying message of his preaching is that discipleship of Jesus Christ requires not only the grace of faith but also demands perseverance courage and discipline critical elements of the process he terms ongoing conversion In addition Fr Henry advocates moral excellence not settling for the merely moderate or the mediocre but striving always to be perfect Fr Henry faces up to and wrestles with the perplexities of the Gospel and he believed that one of the keys to overcoming these is an appreciation of its many paradoxes and that as a consequence we are required to see things from a different perspective not as we are normally inclined to see them but as God sees them The homilies have been arranged thematically On God On Jesus What Jesus Calls Us To Be What Jesus Calls Us To Do Faith Hope Love Loss Suffering Death and Heaven Virtues and Vices Human Dignity Spirituality Church Liturgy and Ritual and Culture Society and Leadership There is of course considerable overlap among the various themes The subjects he refers to and the examples he gives are contemporary and relevant not only to a Caribbean audience but we think to audiences globally The style is informal and conversational for the most part and this quality of the writing has been maintained The homilies have been edited for clarity and for obvious errors and omissions in the transcripts and some have been retitled but they have otherwise been reproduced and stand as he wrote them *Celebrating Sundays*, 2012-08-30 Celebrating Sundays provides readings from the Christian tradition that offer commentary on every Sunday Gospel reading in the three year lectionary In the middle of the sixth century St Benedict wrote Let the inspired books of both the Old and the New Testaments be read at Vigils as also commentaries on them by the most eminent orthodox and catholic fathers Rule of Benedict IX and this set the pattern for worship and preaching which prevails today All the great patristic names are included here Augustine Bede Ambrose Gregory the Great Aelred John Scotus Erigena Origen Cyril of Alexandria and dozens besides An invaluable companion for preachers and for personal reflection on the Sunday lections this makes an ideal gift for confirmation ordination and anniversaries of priesthood **The Catholic Periodical and Literature Index**, 2009 **Words that Listen** Ian Markham, J Barney Hawkins, Mark Oakley, 2018-07-31 A Bible commentary with a difference Words That Listen provides readings from world literature to accompany every Gospel passage of the Revised Common Lectionary for Years A B and C For each Sunday Gospel reading it offers four extracts with commentary from fiction nonfiction poems great speeches and sacred texts to plays television and film scripts social commentaries and theologians past and present Authors featured include writers from the classical Christian tradition from Origen to Rowan Williams many literary greats including Dante
