Abstract

According to the authors, the research was affected by the fact that during their interview they found that the respondents' first choice was their company. Therefore, in the data analysis they specifically looked for mentioning of a different company, especially the mother company, instead

Introduction

- **Substrate** - surface on which an enzyme acts
- **Substrate** - chemical that provides electrons for electron transport
- **Surface Tension** - the resistance of a surface to external forces
- **Thermodynamic** - a study of the relationship between energy and matter
- **Phase Change** - the transfer of a substance from one state of matter to another
- **Thermal Energy** - energy associated with the motion of particles
- **Thermal Expansion** - the change in volume of a substance with temperature
- **Thermal Conduction** - the transfer of heat energy through a substance
- **Thermal Expansion** - the change in volume of a substance with temperature
- **Thermodynamics** - the study of the relationship between energy and matter
