perfect if only he wasn't haunted by the memory of a burning woman if only his life with Barrik didn't lead to more secrets secrets that awaken in Jak a longing for the taste of blood and a distinct awareness that he is being bound to something becoming slave to a power that stirs under the surface     *History of the War in the Peninsula and in the South of France, from the Year 1807 to the Year 1814* Sir William Francis Patrick Napier,1892     **The garret and the garden: or, Low life high up, and Jeff Benson: or, The young coastguardsman** Robert Michael Ballantyne,1890     **Christian Ethics: Christian ethics, translated from the Danish, by C. Spence,1873     Ideas toward a Phenomenology of Interruptions Cameron Bassiri,2018-05-16 This text is the first book length analysis of the problem of the relations between time sleep and the body in Husserl's phenomenology Ideas toward a Phenomenology of Interruptions reconfigures the unity of the life of subjectivity in light of the phenomenon of dreamless sleep supplements Husserl's analyses of subjectivity through integrating interruptions into the life of consciousness and establishes a new phenomenological concept of subjectivity that is a fractured subject In analyzing the phenomenon of dreamless sleep the author develops a new theory of the body namely the sleeping body and explains the importance of the lived body in the experience and constitution of time The author analyzes the moments of falling asleep and waking up as well as the period of dreamless sleep and shows that a more complete phenomenological concept of subjectivity requires attention to the interweaving of continuity and discontinuity This project therefore aims to provide a critical counterpart to Husserl's analyses by developing his transcendental phenomenology into a phenomenology of interruptions Through this account of dreamless sleep this text shows furthermore that subjectivity ceases to perceive and experience the flow of time through retention protention and the primal impression and that the time that is not lived through during this period is lost time Moreover it explores the methodological consequences of interruptions for phenomenology and shows that phenomenology reaches its limits in the phenomena of dreamless sleep because it is incapable of fully accessing or

accounting for them through the phenomenological reduction     *Queer Exposures* Ryan Long,2021-04-20 Roberto Bola o 1953 2003 stands out among recent Latin American writers because of his unique combination of critical acclaim popularity and literary significance Queer Exposures analyzes two central but understudied topics in Bola o s fiction and poetry sexuality and photography Moving beyond a consideration of how his texts represent these topics Ryan F Long demonstrates that when considered in tandem they form the basis for a new innovative and critical approach Emphasizing the processes of exposure associated with photography and sexuality especially queer sexuality provides readers and scholars with a versatile method for comprehending Bola o s constellation of texts With close readings of a broad range of texts from poetry written just after his arrival in Spain in the late 1970s to his posthumously published novels Queer Exposures concludes that an emphasis on sexuality and photography is essential for understanding how Bola o s texts function in dialogue with one another to elucidate and critique the interrelations of writing visual representation and power     **Main Offensive** Gar Wilson,1989 Main Offensive by Gar Wilson released on Sep 24 1989 is available now for purchase     The Red Republic.
