A Tree In Paradise:

A Tree in Paradise James R. Varner, 2014-12-12 This world we live in is not at peace We experience the result of greed the desire to control others wars and rumors of war From my travels I realize that most people would like to just live their lives in peace and comfort have a meaningful existence support their family love and be loved and see their children grow to be happy and healthy The answer to a peaceful world with personal peace and harmony is to take a journey into your inner soul Discover who you really are and that we are all branches on the same tree of life **The spirit of prayer.
