With this form, I am requesting that you forward my letter of evaluation/recommendation to the American Medical College Application Service (AMCAS), which receives all letters on behalf of medical schools participating in the AMCAS Letters Service. For more information about this service, including a list of participating medical schools, see below.

You can forward my letter to AMCAS in one of the following ways:

- **VirtualEvals (VE):** VE is available to members of the National Association of Advisors for the Health Professions (NAAHP). If you are a VE user, make note of the requesting student's AAMC ID and AMCAS Letter ID included above and upload your letter(s) to VE.
- **AMCAS Letter Writer Application:** This application enables letter writers to upload documents securely to AMCAS rather than send letters via the mail. If you are interested in this option, and can upload a PDF version of your letter, make note of the requesting applicant's AAMC ID and AMCAS Letter ID included above and go to (URL anticipated to be available in late fall)
- **Interfolio:** AMCAS can receive letters sent to Interfolio if the student requesting this letter is an Interfolio user or your institution/organization uses Interfolio to deliver letters of evaluation/recommendation.
- **Mail your letter:** If you select this option, please **attach this form** to your letter(s) and mail to:

**Handbook of Research on Developing Competencies for Pre-Health Professional Students, Advisors, and Programs** Ganjoo, Rohini, Schwartz, Lisa S., 2022-05-27 Today there is a significant need for healthcare professionals across disciplines and sectors as the world faces unprecedented health challenges and adopts innovative healthcare technologies. Despite this demand for a competent and eager healthcare workforce, the education and processes to becoming a qualified healthcare professional are complex and intricate, which may turn people away from this path due to confusion, fear, or doubt. In order to encourage and support those involved in medical education, further study on the best practices and challenges of developing confident and capable health professionals is required. The Handbook of Research on Developing Competencies for Pre-Health Professional Students, Advisors, and Programs provides insight into the critical skills and expertise essential for those interested in pursuing employment in healthcare, as well as current procedures and training to support them during their academic and professional careers. Covering topics such as lifelong learning skills, healthcare professions, and strategic learning, this major reference work is crucial for advisors, nurses, healthcare professionals, academicians, researchers, practitioners, scholars, instructors, and students. *The Complete MD/PhD Applicant Guide* Jonathan Sussman, Jordan Setayesh, Amitej Venapally, 2020-09-22 This book is a student reference guide book for the MD PhD application process. It begins with an overview of the structure of a typical MD PhD program, as well as student outcomes and career choices of MD PhD graduates. Next is an outline of the academic and extracurricular prerequisites, as well as the basic components of the application itself. The authors then address the factors that MD PhD students should consider when selecting schools to which to apply. Continuing to the main application, examples are provided of all the different essay types that MD PhD applicants will encounter, along with comments on how to address the deliberately vague and abstract prompts while tailoring the responses to the combined degree program. Most uniquely included is a very detailed explanation of the many types of interviews that applicants will encounter and how to prepare for them by integrating extensive personal experience and first-hand discussions with MD PhD program leaders. Lastly, there will be a discussion on how to cope with the year-long timeline that constitutes this application process and provide guidance regarding properly responding to acceptances and waitlist offers. Written by a team of authors, each experienced with the MD PhD application, this book aids the prospective applicant with navigating this challenging process. *The Medical School Admissions Guide* Suzanne M. Miller, 2010 Lovable Clover Twig is back and now she's traveling along the Perilous Path to try and save her little brother Clover Twig. Clever, neat, responsible, is still in the employ of Mrs. Eckles, chaotic, cantankerous, and a witch. One day Granny Dismal, a witch from the neighboring village, warns them that the Perilous Path has been seen in the woods. The Perilous Path has been around for ages and is all new for the sensible Clover Twig and her clumsy baby brother. Goes missing Clover and Wilf must take their chances on evil sister Mesmeranza. *The International Medical Graduate's Guide to US Medicine & Residency Training*
