The Vulnerability of Integrity in Early Confucian Thought Michael David Kaulana Ing, 2017 This book is about the necessity and even value of vulnerability in human experience In it Michael Ing brings early Chinese texts into dialogue with questions about the ways in which meaningful things are vulnerable to powers beyond our control and more specifically how relationships with meaningful others might compel tragic actions

Literary Remains Eileen J. Cheng, 2013-04-30 Lu Xun 1881-1936 arguably twentieth century China's greatest writer is commonly cast in the mold of a radical iconoclast who vehemently rejected traditional culture The contradictions and ambivalence so central to his writings however are often overlooked Challenging conventional depictions Eileen J Cheng's innovative readings capture Lu Xun's disenchantment with modernity and his transformative engagements with traditional literary conventions in his modern experimental works Lurking behind the ambiguity at the heart of his writings are larger questions on the effects of cultural exchange accommodation and transformation that Lu Xun grappled with as a writer How can a culture estranged from its vanishing traditions come to terms with its past How can a culture severed from its roots and alienated from the foreign conventions it appropriates conceptualize its own present and future Literary Remains shows how Lu Xun's own literary encounter with the modern involved a sustained engagement with the past His creative writings which imitate adapt and parody traditional literary conventions represent and mirror the trauma of cultural disintegration in content and in form His contradictory uncertain and at times bizarrely incoherent narratives refuse to conform to conventional modes of meaning making or teleological notions of history opening up imaginative possibilities for comprehending the past and present without necessarily reifying them Behind Lu Xun's refusal to mourn that is his insistence on keeping the past and the dead alive in writing lies an ethical claim to recover the redemptive meaning of loss Like a solitary wanderer keeping vigil at the site of destruction he sifts through the debris composing epitaphs to mark both the presence and absence of that which has gone before and will soon come to pass For in the rubble of what remains he recovered precious gems of illumination through which to assess critique and transform the moment of the present Literary Remains shows how Lu Xun's literary enterprise is driven by a radical hope that in spite of the destruction he witnessed and the limits of representation his writings like the texts that inspired his own might somehow capture glimmers of the past and the present and illuminate a future yet to unfold Literary Remains will appeal to a wide audience of students and scholars interested in Lu Xun modern China cultural studies and world literature

A Passage to China Chien-Hsin Tsai, 2020-05-11 This book the first of its kind in English examines the reinvention of loyalism in colonial Taiwan through the lens of literature It analyzes the ways in which writers from colonial Taiwan including Qiu Fengjia Lian Heng Wu Zhuoliu and others creatively and selectively employed loyalist ideals to cope with Japanese colonialism and its many institutional changes In the process these writers redefined their relationship with China and Chinese culture Drawing attention to select authors lesser known works author Chien Hsin Tsai provides a

new assessment of well studied historical and literary materials and a nuanced overview of literary and cultural productions in colonial Taiwan During and after Japanese colonialism the islanders perception of loyalism sense of belonging and self identity dramatically changed Tsai argues that the changing tradition of loyalism unexpectedly complicates Taiwan s tie to China rather than unquestionably reinforces it and presents a new line of inquiry for future studies of modern Chinese and Sinophone literature Inquiry in Music Education Hildegard C.
