rich and desperately lonely George Smith appears to be under attack from all quarters His former wife and four horrible children are suing to get his money and someone is sending him threatening letters Despite some very elaborate precautions he remains worried So he builds a mausoleum in which to live *A Singular Man* Emmanuel Bove, 1995 In a state of permanent tension and relieved moral paralysis Jean Marie Th lly an anguished bystander confined to the margins of polite society has based the whole of his existence upon the idea that he is unlike others He derives his singularity from his origins as an illegitimate child bounced from one condescendingly charitable household to another only to be rejected by the bourgeois families that raised him Restricted to an ordinary education barred from an officer s career he is unable to do what he wants and eventually becomes trapped in a life of utter indecision

A Singular Man J. P. Donleavy, 2007-12-01 An excruciatingly funny novel by the author of the classic *The Ginger Man* *Newsweek* From a comic writer rivaling Waugh and Wodehouse this is the story of George Smith Life Mysteriously rich and desperately lonely George appears to be under attack from all quarters His former wife and four horrible children are suing to get his money His dipsomaniacal housekeeper is trying to arouse his carnal interest His secretary the beautiful blond Miss Martin will barely give him the time of day Making matters even worse are the threatening letters Dear Sir Only for the moment are we saying nothing Yours etc Present Associates Despite such precautions as a two inch thick surgical steel door and a bulletproof limousine Smith remains worried So he undertakes to build a giant mausoleum complete with plumbing in which to live Hunter S Thompson called reading this book like sitting down to an evening of good whisky and mad laughter in a rare conversation somewhere on the edge of reality *A Singular Man* is a deliciously dark comic novel by the recipient of a Lifetime Achievement honor from the Irish Book Awards A wild romp An important first rate novel by a gifted artist *Chicago Tribune* Rollicking rambunctious Sheer pleasure to read Shatteringly funny *The New York Times Book Review* *A Singular Man*,

Cambridge captain Later as a schoolmaster and cricket coach at Winchester College he brought on 39 boys to play first class cricket After he had been out of the side for ten years playing only club and country house cricket Yorkshire decided to give him on merit a regular place in his school vacation as a spin bowler of exceptional accuracy in its mighty elevens on either side of the Great War One August he took over the captaincy and steered the county home to the Championship Selected for the 1920 21 tour of Australia he upset the Australian crowd by writing for the Daily Express about a Test match he was playing in He was widely recognised as a leading authority on cricket and its heritage and helped to re write the Laws of the game in 1947 He left much of his collection of cricketana to the Lord s museum His wit laced with litotes and literary allusions has been anthologised Few players of any era have matched the diversity of his contribution to the game Martin Howe gives us a comprehensive account of a singular man of plural talents
