B. CPT® codes that are bundled
C. Fee schedule information listed by CPT® code
D. Reasonable and necessary conditions of coverage for an item or service - ✔ D. Reasonable and necessary conditions of coverage for an item or service

Local Coverage Determinations (LCD) are Medicare Administrative Contractor rules indicating whether or not a particular item or service is covered. Most LCDs also provide a list of diagnosis codes for which a procedure may be covered; however, because other issues factor into payment, coverage is not guaranteed. Modifier guidelines and fee schedule information is included in the annual Medicare Physician Fee Schedule. National Correct Coding Initiative (NCCI) is used to know what CPT® codes are bundled.
