Summary

In Wartime, It's Crazy to be Sane

"Catch-22" uses the title character to tell a darkly humorous story about a U.S. Air Force B-57 bomber crew's attempts to avoid flying. The novel's title refers to a catch-22 situation: a sane person can't be forced to do something that would make him insane, while an insane person can't be forced to do something that would make him sane.

Themes

Irony and Satire

Irony and satire are two forms of humor that often go hand in hand. In *Catch-22*, the irony is the situation of the characters, and the satire is the way the author presents it.
