Your Total PSAT/NMSQT Solution Brian Higginbotham,Drew D. Johnson,Michael Snow,2010-08-09 Study Smarter for the PSAT with REA s Your Total PSAT Solution Test Prep with TestWare CD Your Total PSAT Solution Helps Get You Into College This second edition of REA s popular PSAT test prep is the best way for high school Sophomores and Juniors to prepare for the PSAT and raise their test scores Students at all learning levels will benefit from this comprehensive college entrance test prep Our in depth review chapters are

completely aligned with the most recent PSAT test content. The review covers all the subjects tested on the official exam. Critical Reading, Writing and Math Drills examples and practice questions in each chapter help you assess your skills and gauge your test readiness. The book includes a diagnostic test plus a full length practice test that replicates the actual exam's question format and timing. Both of the book's exams are featured on our TestWare CD with the most powerful scoring and diagnostic tools available today. Automatic scoring and instant reports help you zero in on the topics and types of questions that give you trouble now so you'll succeed when it counts. The timed exam format on CD gives you the closest experience to taking the actual PSAT. Our on screen detailed explanations of answers help you identify your strengths and weaknesses. We don't just say which answers are right; we also explain why the other answer choices are incorrect so you'll be prepared on test day. The TestWare CD comes with an extended time function to accommodate students with learning disabilities. As an added bonus this test prep includes REA's exclusive vocabulary iPhone app so you can study anywhere. Additional PSAT study questions are available online at www.rea.com. When it's time to take the PSAT, REA has Your Total PSAT Solution.

[PSAT Exam Practice Questions](#) Mometrix College Admissions Test Team, PSAT Exam Secrets Test Prep Staff, 2015-02-25

PSAT Exam Practice Questions are the simplest way to prepare for the PSAT test. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. If someone has never taken a practice test then they are unprepared for the types of questions and answer choices that they will encounter on the official test. There is a tremendous advantage to someone taking the test that is already familiar with the questions and answer choices. Another advantage of taking practice tests is that you can assess your performance and see if you need to study and practice more or if you're already prepared enough to achieve success on your test day. If you do well on the practice test then you know you're prepared. If you struggle on the practice test then you know you may still have more work to do to get prepared. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our PSAT Exam Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious but you have to know which questions you missed and more importantly why you missed them to be able to avoid making the same mistakes again when you take the real test. That's why our PSAT Exam Practice Questions include answer keys with detailed answer explanations. These in depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.
