

## **CEFS 501**

### **Reaction Paper Instructions**

**Purpose:** The purpose of this assignment is to explore the professional and ethical issues of counseling and referring when dealing with counselor-client value differences.

**Directions:** Begin this assignment by reading both Chapter 10 of the Sanders text and the two American Counseling

Association's (ACA) articles about our position on referrals:

1. Martz, E., & Kaplan, D. (2014). New responsibilities when making referrals. *Counseling Today*, 57(4), 24-25.
2. Kocet, M. M., & Herlihy, B. J. (2014). Addressing value-based conflicts within the counseling relationship: A decision-making model. *Journal of Counseling & Development*, 92(2), 180-186.

Your paper must be in current APA format including a title page, abstract and reference page. The paper should be 3–6 pages in length. (This does not include title page, abstract and reference page). Your paper must cite both the Sanders text and the ACA position paper.

Divide your paper into the headings below and address each question under each heading:

#### **Summarize (1–2 pages)**

In this section, summarize what you have read by condensing Chapter 10 of the Sanders text, and the two ACA paper. Prove that you have comprehended the material by writing a clear, brief, summary of the main points of each source. For the Saunders chapter, make sure to focus on the presentation of the APA's position on values based referrals and how to address values conflicts. A summarization is not a commentary; rather, it is an insightful précis of the longer, more elaborate chapter/article. It must provide a clear overview of the material.

#### **Reflect (1–2 pages)**
