## **Who I Am:**

Who Am I? Is Who I Am Raquel Chears, 2025-02-19 The hardest thing for Anna to do was to surrender Dying to her flesh her will her plans and desires troubled her Why Life was passing her by and there was not anything to show for it She felt ashamed Everyone had houses land families and businesses Anna had none of these She did the right things She went to worship kept the commandments saved herself for marriage and served the Lord Decades would pass and nothing Alone now forty seven she felt rejected No Boaz for her A vessel unto honor was Anna with no jewels Others would look and question her What are you waiting for Deep within her she knew God had something more for her She kept the faith She stood the test of time and resisted temptation Anna refused to be distracted and focused on God and His will She knew the plans for her were big With the words run the race that is set before you Anna stayed on course She prayed to be a jewel in God s crown As she lay at His feet she prayed that God would cover her with His skirt That she would want for nothing And God promised to set her on top of the mountain bless her and silence the naysayers She knew that God would exalt her in time and grant her permission to release His mysteries to a world that views life blindly Release mysteries to a world oblivious of a savior who was born to change humanity Anna according to Luke got several paragraphs But Anna birthed a savior from eternity into time What an honor to see victory and be a part of history Who was Anna Anna was a mystery with a mystery Thank God for redemption **It'S Part of Who I Am** Kay Fraser, 2015-08-25 Its Part of Who I Am Searching for Spiritual

Understanding tells the story of one woman Peace who relentlessly seeks out spiritual understanding Her daughter Kay explores the complexities involved in the life of her mother She in turn finds that her exploration leads her to embark on her own spiritual journey Kay Fraser who holds a PhD in social history brings her academic background to this intimate and personal account that follows Peace on a fifty five year journey through many twists and turns Peace begins with Christianity and then moves through a variety of teachings Gurdjieff Krishnamurti the Theosophical Society Co Freemasonry and A Course in Miracles before turning to Zen Buddhism for two decades Finally she returns to the Christian Church Her return to the church gave rise to many questions and answers between mother and daughter Whenever Peace was asked why after all her searching she had returned to the church she would simply say Its part of who I am If you are drawn to other peoples accounts of their spiritual journeys and wonder what insights they can provide for your own journey then Its Part of Who I Am Searching for Spiritual Understanding will give you some clues about how to find that deep spiritual core within Yet it also gives hints about how not to travel on your own journey **I Am Proud of Who I Am** B.
