Firm Of The Future:

The Firm of the Future Paul Dunn, Ronald J. Baker, 2012-06-12 Provides accountants in small and medium sized firms the tool to expand services beyond attest and compliance functions Shows how to transition to other professional services that clients value Provides a pro forma business plan for mapping a three to five year plan for the transition to a successful practice Positions consulting as an extension to traditional services not just an alternative Includes many real world examples of accountants who have made a successful transition to new services discussing the challenges and the results achieved Focuses on quality of life issues and how to get there The Law Firm of the Future John M. Westcott, Jr., 2018-09-28

During the golden age of law firm growth from the late 1960s until 2007 most large law firms adopted a default growth strategy increasing practice areas and offices aided by the momentum of the tail winds of law firm growth Since the recession of 2008 2009 however the legal marketplace has drastically changed In this timely book Jay Westcott suggests strategic building blocks that firms can adopt in order to adapt themselves to this radical change and prosper as lasting institutions
