Navajo Blessingway Singer Frank Mitchell, 2003 This life history of a Navajo leader recorded in the 1960s and first published in 1977 is a classic work in the study of Navajo history and religious traditions. A skillful, meticulous and altogether praiseworthy contribution to Navajo studies. Although the focus of Mitchell's autobiography is upon his role as a Blessingway singer, there is much material here on Navajo history and culture in the late nineteenth and early twentieth centuries. Mitchell attended the government school at Fort Defiance, worked on the railroad in Arizona, served as a handyman and interpreter at several trading posts and the Franciscan missions, and later served as a tribal councilman in the 1930s and as a judge in the 1940s and 1950s. His observations on these experiences are relevant to our understanding of contemporary Navajo life.

Lawrence C. Kelly Western Historical Quarterly This book stands easily among the best of the native autobiographies. Narrated by a thoughtful and articulate Navajo leader over a span of eighteen years, this life history is brought into English with none of the selective romanticizing that has spoiled some books. It is a superb job of bringing one culture ever closer to another.

The author draws upon approaches from Japanese historical and literature studies, performance studies and ethnomusicology in an examination of history which yielded on the one hand images of blind singers.
