WALNECK'S CLASSIC CYCLE TRADER, MARCH 2003 Causey Enterprises, LLC, **WALNECK'S CLASSIC CYCLE TRADER, AUGUST 2004** Causey Enterprises, LLC, *The Service-Dominant Logic of Marketing* Robert F. Lusch, Stephen L. Vargo, 2014-12-18 Expanding on the editors award winning article Evolving to a New Dominant Logic for Marketing this book presents a challenging new paradigm for the marketing discipline This new paradigm is service oriented customer oriented relationship focused and knowledge based and places marketing once viewed as a support function central to overall business strategy Service dominant logic defines service as the application of competencies for the benefit of another entity and sees mutual service provision rather than the exchange of goods as the proper subject of marketing It moves the orientation of marketing from a market to philosophy where customers are promoted to targeted and captured to a market with philosophy where the customer and supply chain partners are collaborators in the entire marketing process The editors elaborate on this model through an historical analysis clarification and extension of service dominant logic and distinguished marketing thinkers then provide further insight and commentary The result is a more comprehensive and inclusive marketing theory that will challenge both current thinking and marketing practice *Official Gazette of the United States Patent and Trademark Office*, 2004 *Mergent's Dividend Achievers Summer 2004* Mergent Inc, 2004-07 Definitive Guide To Companies That Have Increased Their Cash Dividends To find the most consistent dividend paying stocks professional investment managers analysts and knowledgeable individual investors use Mergent's Dividend Achievers tm the definitive guide for sound investments Published four times a year Mergent's Dividend Achievers features the latest data on a unique universe of companies with a history of regularly rewarding shareholders Mergent has been highlighting companies with outstanding dividend records since 1979 and boasts a century of experience in quality financial information publishing Each quarterly handbook features updated profiles on approximately 300 Dividend Achiever companies revised with the latest available quarterly earnings results dividend announcements and stock prices Mergent's Dividend Achievers is one of my favorite bedside thrillers Here's a simple way to succeed in Wall Street Buy the stocks on Mergent's list and stick with them as long as they stay on the list Peter Lynch Outperform the S P 500 r Mergent's Dividend Achievers profiles approximately 300 U S companies that have increased their regular cash dividends annually for the past ten or more consecutive years These are truly remarkable companies The average total return of these Dividend Achiever companies has outperformed the S P 500 for the last 10 years Where should investors start looking for high quality dividend paying companies Research from Mergent has an exclusive list of companies that have increased their dividends every year for the past 10 years Steve Liesman CNBC senior economics reporter on Squakbox Build a Winning Portfolio From our Dividend Achievers you can put together an extraordinary diversified portfolio They include large capitalization mid cap and small cap companies The companies represent more than 50 different industries from consumer goods to real estate to utilities For each Dividend

Achiever Company our handbook provides a full page profile with in depth investment criteria including a stock performance chart dividend record business description seven years of financial results and ratios analysis of recent developments and more With just a glance you can see how the company has done in the past and decide whether you want to investigate further Plus there are special features such as a dividend reinvestment plan indicator on each page Dividend Achiever arrivals and departures Dividend Achiever name changes Dividend Achiever mergers and acquisitions as well as web site and investor contact information on each page Mergent's Dividend Achievers is the valuable source for high quality stocks that pay great dividends Len Kuker Senior Vice President Morgan Stanley Unique Rankings Companies are classified by industry This edition includes numerous valuable rankings such as 10 year average annual dividend growth rate one three and five year total returns top 20 return on equity and return on assets along with top 20 rankings by revenue net income total assets long term and short term price scores highest and lowest P E ratios and more A Great Investment Has Become Even Better And now with new tax law changes slashing dividend taxes investing in Dividend Achiever companies has never been better Our Dividend Achievers will provide low taxed income today and perhaps low taxed capital gains tomorrow Historically dividend income has been taxed at your highest rate Under the prior tax law as much as 38.6% of dividend income could go to the IRS The 2003 tax act changed the rules Now corporate dividends paid to individuals generally are taxed at ultra low tax rates Most investors will pay only 15% tax on dividend income Investors in the lowest federal tax brackets will pay only 5% tax on dividends This rate may apply to retirees whose income drops after they stop working In 2008 those low bracket taxpayers will owe no federal income tax on dividends they receive What's more if you need to sell your dividend paying stocks any long term gains will qualify for those same bargain tax rates 15% 5% or even 0% in 2008 How Does a Company Become a Dividend Achiever Many thousands of companies pay dividends to shareholders Fewer than 300 U S companies qualified as Dividend Achievers in 2003 In fact only 2.5% of all the publicly traded dividend paying U S companies qualify as Dividend Achievers To make our final cut only high quality companies that have increased their regular dividends for 10 years in a row are chosen from an exclusive list That's right during the boom times of the late 1990s and the struggles of the early 21st century our Dividend Achievers have steadily taken in more cash and paid higher dividends to investors In fact most of our Dividend Achievers have more than 20 years of higher dividends Truly the companies on our list have proven to be the top tier of U S industry Order Your Copy Today For this edition of Mergent's Dividend Achievers our analysts have updated the profiles on approximately 300 Dividend Achievers which includes high yielding companies that can produce higher returns after tax than municipal bonds I have been using and writing about Dividend Achievers handbook for more than 11 years and I believe that it is one of the few true bargains in the arena of independent investment research Laureen Rudd syndicated columnist writing in the Sarasota Tribune A Century of Providing Trusted Information For over a century Mergent has been the preferred source for global business and financial information Providing comprehensive data to savvy
