propi Aquest va constituir el desenllaç d'una guerra de gran abast que per a Catalunya va suposar finalment l'ocupació militar i la desfeta política. El llibre s'adoncs en primer lloc la crònica i el balanç d'aquella tragèdia. Vol ser també una aportació al debat de present que avui exercim com a poble. En un moment com l'actual en què una inequívoca majoria de catalans aposten pel dret a decidir i per la llibertat de Catalunya. **Münchner Jahrbuch der bildenden Kunst** Ludwig von Buerkel, 1979

Serving Library Users from Asia John Hickok, 2019-06-12 Asian populations are among some of the fastest growing cultural groups in the US. While books on serving other target groups in libraries have been published e.g. disabled Latino seniors etc few books on serving library users of Asian heritage have been written. Thus the timely need for this book. Rather than a generalized overview of Asians as a whole this book has 24 separate chapters each on 24 specific Asian countries cultures of East Southeast and South Asia with a wealth of resources for understanding interacting with outreaching to and serving library users of each culture. Resources include cultural guides both print and online language helps with sample library vocabulary Asian booksellers nationwide cultural groups professional literature and more. Resources and suggestions are given for all three types of libraries public school and academic making this book valuable for all librarians. The demographics of each Asian culture numbers and distribution plus history of immigration and international student enrollment is also featured. As a bonus each chapter spotlights a US public school and academic library providing model outreach to Asian library users. Additionally this book provides a detailed description and analysis of libraries in each of the 24 Asian countries. The history development facilities conditions technology classification systems and more of public school and academic libraries are all discussed with detailed documentation. Country conditions influencing libraries and library use are also described literacy levels reading cultures languages and writing systems educational systems and more. Based on the author's 15 years of research and travels to Asia this work is a must have for all librarians. **Close to Stockholm**
