**Nuggets for the American Conscience** Oscar L. Avant,2023-12-04 America has walked away from the Judeo Christian values that once anchored it in greatness We have abandoned our roots As a result we find ourselves lost in a maze of problems for which we have no ready solutions While as a nation we have never lived up to the ideals that are embodied in our Constitution it has remained for us a goal and an aspiration We can never realize this goal without God s help Oscar L Avant highlights God s template for living one that can get individuals and the nation as a whole back on track in this book If you follow this template you will be blessed But if you discard it you will find yourself on your own Get answers to questions such as How can America be more responsible in its leadership What steps can we take to hear each other more effectively What are the negative consequences of turning away from God Why is it important to look to the Bible for moral guidance Written in a journal format this book encourages you to reflect on your own deeply held values and let those thoughts guide you on how to live life
