result of bold and visionary recommendations of an ASEAN Committee of Eminent Persons The ASEAN Charter which came  
into force in 2008 provides ASEAN s legal status and institutional framework In effect it is a legally binding agreement  
among the 10 ASEAN Member States In many respects however the Charter is more important as an aspirational document  
Written by one of the persons involved in the negotiations leading to the adoption of the Charter this meticulously researched  
publication helps readers navigate the ambiguities of the Charter by detailing an insider s background provision by provision  
of the debates that went into the making of the ASEAN Charter It not only explains how the provisions of the Charter came to  
be drafted but also how they relate to the realities of diplomatic practice This volume will be an indispensable reference for  
scholars working diplomats and businesses and institutions that have a stake in ASEAN The ASEAN Charter is a commitment  
for us to become a rules based community It is time for us especially the weaker countries among us to be ruled by law
