The Telephone Answering Service Industry Peter Lyle DeHaan,2023-08-11

WARNING this book is a master's thesis 1998 and contains academic research. It's made available primarily to aid others who are conducting their own industry research. If this is what you seek here's an overview. The telephone answering service industry is facing uncertainty due to misconceptions, rising costs, and company closures. This book presents extensive research on the industry including a SWOT analysis and input from industry professionals. It identifies six core items for survival and success: flexibility, customer focus, management skills, service quality, staffing practices, and employment attractiveness. The book recommends conducting company specific SWOT analyses and developing strategic plans as well as increasing rates, improving sales and marketing efforts, and capitalizing on 24/7 staffing. Readers must assess their specific circumstances to determine if these strategies are applicable. This book equips industry insiders with valuable insights and recommendations to shape the future of their businesses. By being proactive and prepared, the industry can overcome its challenges and flourish in the ever changing telecommunications world.
