

Head Restraints

The headrests and headrest covers are designed to provide maximum protection for the head and neck in the event of a rear-end collision. The headrests are adjustable and can be moved up and down to suit the driver or front passenger. The headrest covers are removable and can be washed separately.

Adjustment:

- 1. Pull the headrest cover forward until it is fully extended.
- 2. Push the headrest cover back until it is fully retracted.
- 3. Push the headrest cover forward until it is fully extended.
- 4. Push the headrest cover back until it is fully retracted.

Seat position

The seat should be adjusted so that the driver or front passenger can sit upright and comfortably. The headrest should be adjusted so that it is at least as high as the top of the driver's or front passenger's head. The headrest should be adjusted so that it is at least as far back as the back of the driver's or front passenger's head.
