## 70 Warrior Gear Guide:

Arms and Armour of the Warrior Saints Piotr Grotowski, 2010-09-24 The question of the independence of Byzantine iconography continues to draw attention. Following extensive research on the persistence of Classical motifs in Byzantine art interest has recently turned to the originality of the latter and its reliability as a historical source. This study examines whether military equipment, armour, weapons, insignia and costume shown in images of the warrior saints reflects items actually used in the mid Byzantine Army or merely repeats Classical forms. Such representations are compared with documentary evidence gathered chiefly from Byzantine military manuals. The author demonstrates that military equipment being a vital branch of material culture subject to constant evolution provides a good indicator of iconographic innovation in the art of Byzantium.

**European Societies in the Bronze Age** A. F. Harding, 2000-05-18 The Bronze Age, roughly 2500 to 750 BC, was the last fully prehistoric period in Europe and a crucial element in the formation of the Europe that emerged into history in the later first millennium BC. This book focuses on the material culture remains of the period and through them provides an interpretation of the main trends in human development that occurred during this timespan. It pays particular attention to the discoveries and theoretical advances of the last twenty years that have necessitated a major revision of received opinions about many aspects of the Bronze Age. Arranged thematically, it reviews the evidence for a range of topics in cross-cultural fashion, defining which major

characteristics of the period were universal and which culture and area specific The result is a comprehensive study that will be of value to specialists and students while remaining accessible to the non specialist Dungeons & Dragons Dungeon Master's Guide Monte Cook,Jonathan Tweet,Skip Williams,2003 Weave exciting tales of heroism filled with magic and monsters Within these pages you ll discover the tools and options you need to create detailed worlds and dynamic adventures for your players to experience in the Dungeons Dragons roleplaying game The revised Dungeon Master s Guide is an essential rulebook for Dungeon Masters of the D D game The Dungeon Master s Guide has been reorganized to be more user friendly It features information on running a D D game adjudicating play writing adventures nonplayer characters including nonplayer character classes running a campaign characters magic items including intelligent and cursed items and artifacts and a dictionary of special abilities and conditions Changes have been made to the item creation rules and pricing and prestige classes new to the Dungeon Master s Guide are included over 10 prestige classes The revision includes expanded advice on how to run a campaign and instructs players on how to take full advantage of the tie in D D miniatures line
