Laufenberg,2014-07-28 Muhammad s Revenge is a collection of short stories that literally forces the reader to bring the realities of life on this earth along with such terrible things as war into sharp focus and to concentrate on why things happen as they do when they do and what happens to the soul when this life on earth is over In the title story Muhammad s Revenge we see how the war experiences of a single human being can bring an apocalypse to the entire world In Peace on Earth the realities of the horrors of World War I become starkly vivid and real but so does the humanity of mankind when the Germans and the English armies call a one day truce a historic event that actually did happen In Big Sugar as in all these stories we see the personal as well as private lives of many of the characters in their darkest moments and how one life s circumstances which end in a tragic death can alter history for all the others involved for the better Witches Kathryn Griffith,2016-06-17 There are witches in the world some are good and some of them are downright evil Amanda Givens is careful how she uses her benevolent powers She doesn t want the people of Canaan Connecticut to know they have a witch among them even a good white witch For years she s lived quietly in a remote cabin with Amadeus her quirky feline familiar At first with her husband Jake the love of her life until a car accident but now alone after his death But when she s wrongly blamed for a rash of ritualistic murders committed by a satanic cult she knows she can no longer hide She s the one the cult is after and she is the only one who can stop them and prove her innocence Yet as punishment for fighting and destroying the cult she s drawn back in time by the ghost of the dark witch Rachel Coxe who was drowned for practicing black magic in the 17th century Now as Amanda tries to rehabilitate Rachel s reputation in an effort to save lives as well as her own and falls in love all over again with Joshua her reincarnated dead husband from the future she has to rely on a sister s love and magical knowledge and a powerful sect of witches named the Guardians to help her get home safely Statement of Disbursements of the House United States.
