## **A Case Of The Funkies:**

A Case of the Funkies Jeanette Starin, 2014-11-10 Fox tries to cheer herself up but to no avail until an unexpected visitor shows up *The Invasion of the Funky Pastors* Harry N. Agina, 2010 When I left Nigeria as a boy for the USA in search of the proverbial greener pastures there was Christianity and there was the African Culture in Nigeria both of which I had grown up in Christianity fed me with the word of God while my African Culture made me desirably and proudly different from a white man an Indian Mexican or Asian That was many years ago in the mid 1900s Today when I visit my little remote African village to enjoy some of the cultural values that I have missed so much while in the western world my brethren in the village tell me that the culture is no more Indeed the entire Christian community of Nigeria seems to be heading towards the notion that the African Culture is suddenly out of fashion The people's excuse is that they have seen the light in their new wave Christianity Some traditionalists are not taking the culture abuse lying down and with their fire for fire response to the Christian zealots there is truly a war of cultures in Nigeria I am right in the middle of it and this is my story I must prepare my reader's mind for my general hardnosed criticism of Nigerian Commercial Church in this story I lament that too many Christians are willfully making mischief and a whole lot of money all in the name of God I am a devout Christian and would never advertently say one bad word against Christianity or any religion for that matter My grouse is with the growing number of mischievous funky pastors their zombie like followers their gross misinterpretation of the Holy Bible and the war that they have declared against the African Culture One might even say that my criticism is venomous but I call it brutally frank or frankly brutal *Funk* University of California, Berkeley. University Art Museum, Peter Selz, 1967 **Funky / Guy** John Francis King, 2012 Funky Guy is set in the contemporary world of international life coaching **Funk** Peter Selz, 2023-12-22 *Funky Knits* Carol Meldrum, 2006-03-01 Knitting comes out of the parlor in this edgy collection of modern designs for knitters who want their personalities to come through in their projects More than 30 patterns including a cozy hoodie a key chain and an easy care cactus stretch a knitter's repertoire beyond simple scarves and hats The themed sections take intrepid handcrafters from an Urban Playground to Home Comforts while an introductory chapter covers knitting terms and techniques so novice knitters can skip the fuss and get right down to the knitty gritty A variety of yarns are used fueling mix and match creativity and there is even a market tote to knit from old plastic grocery bags Always unpredictable and never square the new projects in this book will spark creativity in hip knitters everywhere
