breast cancer but she came back to school with a restless soul Was there more to life than the only world she knew Karch Kummen was a vibrant younger teacher who invited the Sisters to his family's Pocono Mountain cabin for a winter getaway while he and his parents skied Meg asked Karch if he could teach her to ski He held her close as together they skied down the mountain Months later after a meeting she admitted to Karch in an empty classroom that she wished she had someone to kiss Meg was slowly being seduced It was not a physical seduction but one that was emotional He showed her a wonderful life beyond the walls of her convent she had never experienced Karch invited her to his family's oceanfront beach house There he took her on fast amusement rides a boogie board sailing and on a bike trip He also kept her safe when a hurricane hit the Jersey coast However with that emotional seduction inevitably came a slow physical seduction Did Meg have the strength of heart to finally resist the world he offered or did she have the weakness of the flesh and would eventually succumb to Karch Only time would tell **The Musical Record** ,1893 *Christmas at Punkin Holler* Elizabeth F.
