Trudeau,2013-11-05 In a class by itself Jules Feiffer on Doonesbury This all color volume celebrates the marriage of Alex and Toggle an event which optimistically confirms that life like Doonesbury rolls on Indeed how remarkable that the strip has so embraced and occupied its era that three generations of one family have married within its panels Gathering their kith and

kin around them at Walden the wise but wounded soldier artist and the brilliant but insecure techhead make a promising team for the years ahead well rounded yet squared away Doonesbury's fifth decade finds the largest rep company in the history of comic strips fully and widely engaged Like so many flesh and blood fellow citizens key characters now struggle with dramatic career change and job stress And the wars in Iraq and Afghanistan continue to reverberate through the lives of others as the strip illuminates their experiences with an attentiveness unparalleled in popular culture Amid the relentless unfolding of unexpected storylines the strip's second and third generation characters increasingly take center stage and the youngest regular Sam comes of age literally in the blink of an eye as the newlyweds prepare to welcome twins It never ends and how lucky for readers Most comic strips run out of creative energy after their initial inspiration notes Garry Wills
