Meteyard,2023-06-15 A celebration of the last decade of work and play by a unique theatre company featuring five original plays that offer a chance for diverse stories with diverse casts This collection is perfect students and young people looking for performance materials or for plays that are centered around under represented POVs The Tyranny of the Ideal Gerald Gaus,2019-01-08 In his provocative new book The Tyranny of the Ideal Gerald Gaus lays out a vision for how we should theorize about justice in a diverse society Gaus shows how free and equal people faced with intractable struggles and irreconcilable conflicts might share a common moral life shaped by a just framework He argues that if we are to take diversity seriously and if moral inquiry is sincere about shaping the world then the pursuit of idealized and perfect theories of justice essentially the entire production of theories of justice that has dominated political philosophy for the past forty years needs to change Drawing on recent work in social science and philosophy Gaus points to an important paradox only those in a heterogeneous society with its various religious moral and political perspectives have a reasonable hope of understanding what an ideally just society would be like However due to its very nature this world could never be collectively devoted to any single ideal Gaus defends the moral constitution of this pluralistic open society where the very clash and disagreement of ideals spurs all to better understand what their personal ideals of justice happen to be Presenting an original framework for how we should think about morality The Tyranny of the Ideal rigorously analyzes a theory of ideal justice more suitable for contemporary times Agent 21: Codebreaker Chris Ryan,2013 Zak Darke is Agent 21 working undercover for a shadowy government agency He s highly trained and perfectly placed to intercept the terrorist and stop the next bomb But this time he s not just up against the enemy He s operating against the clock as well 4 me de couverture Cinefantastique ,2003
