Amazing Arts 41 Edward Hopper Volume 41:

Last Light Richard Lacayo, 2022-10-11 Lacayo shows how old age can be a time of daring creativity and triumph in art. He focuses on six artists who produced many of their greatest works in the last years of their long careers and sometimes even changed the course of art history. Though they differed in many respects, these six artists shared a determination to go on creating. They were driven not by the bounding energies of youth but by the ticking clock that would inspire them to produce some of their greatest masterpieces.
