Notes on Creativity

• Inspiration is everywhere, we just capture it with the stroke of a pen.

• We can find it by viewing things from a different vantage point, gaining a new perspective.

• Looking for the extraordinary in the everyday.

• Try to look closer at a bridge, see the world with a pair of glasses with that focus on detail. By just taking time to look around, noticing the small details, the little subtleties, it gives focus, leading to finding it out at the everyday. See below the example of a bridge that looks like a bridge to most others, only they may, or probably, do not yet. In the words, the saying, that "nothing is ordinary, it is just not yet discovered."

• See the world through your eyes.

• We know you don't like your boring time, so here comes the extraordinary time.

• We welcome you to our extraordinary journey.
