## **American Accent Guide:**

The American Accent Guide Beverly a. Lujan, 2015-01-01 This is the 3rd edition of the world acclaimed The American Accent Guide The American Accent Guide provides comprehensive training on the standard American accent The materials for this program consist of a book and accompanying streaming audio The book provides a link and an access code for the audio which can then be streamed on any digital device The methods and principles of this program are based on the belief that an efficient way to become a clear and effective speaker in a non native language is to gain an understanding of the phonology sound system of that language The American Accent Guide addresses the entire sound system of American English and gives thorough attention to each of its elements These elements are Intonation Stress Rhythm Individual vowel sounds Individual consonant sounds The program found in The American Accent Guide addresses each of these elements through a variety of engaging interactive exercises that use everyday language in situations ranging from casual to technical and from informal to professional The American Accent Guide is divided into eight sections each of which contains its own numbering sequence and audio Each section addresses a complete and distinct aspect of the American accent so the student can potentially study each part independently Although each section is complete in and of itself exercises do reinforce skills addressed in previous sections This makes studying the program in the order presented the most effective way to both understand the concepts and practice and improve one's accent By the end of the course learners will possess a clear idea of how to process the American accent and have the basic speaking tools required to express it They will also be prepared to continue building their accent skills through purposeful listening to the way that native speakers of American English communicate Who is The American Accent Guide for Typical users of The American Accent Guide include universities colleges language schools speech language pathologists ESL instructors and individual learners The program is appropriate for students representing all foreign language backgrounds given that they possess at least a low intermediate command of the English language The Approach The American Accent Guide introduces the elements of American English speech in the most logical sequence integrating each of them into natural contexts It takes a highly complex accent system and makes it easy to understand While practicing new speech patterns the learner gains awareness of the underlying rules of the American English sound system These insights facilitate continued improvement and increased fluency in standard American English The Dialect The dialect used in The American Accent Guide is standard American English sometimes referred to as General American This accent is heard widely throughout parts of the United States and Canada it is the preferred standard in North American news media and movies Exercises in The American Accent Guide reflect the communication style of American culture and they incorporate common idioms and colloquialisms used frequently in everyday situations The Audio The American Accent Guide is accompanied by clear audio featuring a mix of male and female speakers of standard American English Audio track markers are easily located in small circles throughout the text The entire book is available in audio form

and the program can be followed using the audio independently should the student wish to use it that way Changes to the New Edition This new 3rd edition of The American Accent Guide builds upon the successes of the previous editions It includes revisions with new ideas more exercises and a new expanded section on the topic of word stress The American Accent Guide Beverly A. Lujan,2006 Intended to help develop communication skills for professional advancement and social situations It is recommended that students use the book in the initial stages of learning Then practice again and again relying primarily on the sound discs **The American Accent Guide** Beverly A. Lujan,2006 **American Accent Training** Ann Cook,2000 A guide to speaking and pronouncing American English for everyone who speaks English as a second language Container **The American Accent Guide, 3rd Edition** Beverly A. Lujan,Beverly A. Lujan Lingual Arts,2016-01-04

*The American Accent Guide* Beverly A. Lujan,1999-04-01 Presents a comprehensive course for individuals of all language backgrounds on the pronunciation and speaking style of American English **Practically Speaking** Troy

Mackinder,2008-04 For Australian and New Zealand actors to learn the Standard American Accent Provided by publisher

**English Pronunciation Secrets** Rebecca Bower,2022 Are you looking for that one English pronunciation guide that has it all Well you found it Plus it s NOT your typical boring English pronunciation workbook You re frustrated with not being understood You re tired of shying away from conversations and presentations that keep you from making significant gains in your career and making connections in your social life This guide is a culmination of all of the mysterious secrets that non native English speakers search for on their journey to speaking with clear fluent English pronunciation These are secrets even native speakers are often not aware of This book is your single guide to get you to where you want to be when speaking English clear confident precise and articulate This guide provides the highest quality in depth instruction with the easiest to follow practice activities ever We re talkin step by step hand holding here because a little extra help never hurt anyone Hierarchical structure focusing on listening and feeling your mouth positions first so you will be confident you can correct yourself when speaking Exhaustive practice exercises that move from the simplest level sound level then progress slowly up the ladder to syllables words phrases sentences reading and finally conversation practice so you don t get stuck Easy to understand instruction without all the confusing jargon Make this the day you finally unveil the secrets to clear articulate English pronunciation **Mastering the American Accent with Online Audio** Barron's Educational Series,Lisa

Mojsin,2016-09-15 Mastering the American Accent is an easy to follow approach for reducing the accent of non native speakers of English Well sequenced lessons in the book correspond over eight hours of audio files covering the entire text The audio program provides clear models both male and female to help coach a standard American accent The program is designed to help users speak Standard American English with clarity confidence and accuracy The many exercises in the book concentrate on topics such as vowel sounds problematic consonants such as V W TH the American R and T and others Correct lip and tongue positions for all sounds are discussed in detail Beyond the production of sounds the program provides

detailed instruction in prosodic elements such as syllable stress emphasis intonation linking words for smoother speech flow common word contractions and much more Additional topics that often confuse ESL students are also discussed and explained They include distinguishing between casual and formal speech homophones e g they re and there recognizing words with silent letters e g comb receipt and avoiding embarrassing pronunciation mistakes such as mixing up pull and pool Students are familiarized with many irregular English spelling rules and exceptions and are shown how such irregularities can contribute to pronunciation errors A native language guide references problematic accent issues for 13 different language backgrounds Publisher's Note Products purchased from Third Party sellers are not guaranteed by the publisher for quality authenticity or access to any online entitlements included with the product
