## PREAMBLE

The focus of American Government is centered upon the student as tomorrow's voter. American Government is a one semester long course designed to give the student knowledge of the major components that make up the American governing system, a historical perspective of its development, and the role, structure, and functioning of the three branches of government. This course is designed to meet mandated graduation requirements.

*Shortchanged* Annie Abrams, 2023-04-25 *Shortchanged* is a brilliant book The Washington Post Author and high school English teacher Annie Abrams reveals how the College Board's emphasis on standardized testing has led the AP program astray Every year millions of students take Advanced Placement AP exams hoping to score enough points to earn college credit and save on their tuition bill But are they getting a real college education The College Board says that AP classes and exams make the AP program more accessible and represent a step forward for educational justice But the program's commitment to standardized testing no longer reflects its original promise of delivering meaningful college level curriculum to high school students In *Shortchanged* education scholar Annie Abrams uncovers the political and pedagogical traditions that led to the program's development in the 1950s In revealing the founders' intentions of aligning liberal arts education across high schools and colleges in ways they believed would protect democracy Abrams questions the collateral damage caused by moving away from this vision The AP program is the College Board's greatest source of revenue yet its financial success belies the founding principles it has abandoned Instead of arguing for a wholesale restoration of the program *Shortchanged* considers the nation's contemporary needs Abrams advocates for broader access to the liberal arts through robust public funding of secondary and higher education and a dismantling of the standardized testing regime *Shortchanged* illuminates a better way to offer a quality liberal arts education to high school students while preparing them for college
