To enhance your review, each question includes a test-taking strategy, rationales for correct and incorrect answers, and page references to major nursing textbooks. The Evolve companion website adds a pre-test to help in identifying any areas of weakness and lets you answer questions in study or exam mode. Written by the most trusted name in NCLEX exam review, Linda Anne Silvestri, this book organizes questions to match the Client Needs and Integrated Processes found in the most recent NCLEX RN test plan. This review is part of the popular Saunders Pyramid to Success, which has helped more than 1.5 million nurses pass the NCLEX exam. Rationales are provided for both correct and incorrect answer options. A detailed test-taking strategy is included for each question, providing clues for analyzing and selecting the correct answer. All alternate item question types are represented, including multiple response, prioritizing, ordered response, fill in the blank, illustration, hot spot, chart exhibit, questions, graphic option, and questions incorporating audio and video. Questions categorized by cognitive level, NCLEX client needs area, integrated process, priority concepts, and clinical content area help you focus on the question types you find most difficult. A Priority Nursing Tip is included with each question, highlighting need to know patient care information. Page references to Elsevier nursing textbooks direct you to study and remediation material for any question answered incorrectly. Chapters organized by Client Needs simplify review and reflect the question mix in the NCLEX RN test plan blueprint. An 85-question comprehensive exam represents the content and percentages of question types identified in
