Annual Report ... South Africa. Department of Higher Education and Training, 2016 **Juta's Statutes of South Africa** South Africa, 2004 **The Law of South Africa** , 2003 *Nancy Fraser and Participatory Parity* Vivienne Bozalek, Dorothee Hölscher, Michalinos Zembylas, 2020-05-17 Nancy Fraser and Participatory Parity provides a philosophical framework based on the work of Nancy Fraser examining how her ideas can be used to analyse contemporary issues in higher education and reimagine higher education practices Providing a forum for considering Fraser s work in relation to participatory parity in higher education the book shows how her political philosophy is relevant to higher education pedagogies scholarship and practice The recent student protests in South Africa in 2015 and 2016 has created an impetus to think about how to do things differently in higher education in response to economic cultural and political inequities This South African experience is aptly used as a prime example of rethinking issues of coloniality and social injustice in higher education The contributors use of Nancy Fraser s theories provides their analyses and reflections with a particularly sharp lens and clear focus The book also puts her work into conversation with other contemporary writers on social justice and explores the resonances and differentiations of the various approaches This book will be of great interest for academics researchers and post graduate students in the fields of social justice in education and educational policy **Accessing Post-School Studies** Venica McGhie, 2017-12-01 This publication makes a valuable contribution to often problematic and pertinent South African higher education issues such as student access and success student learning student support and student engagement In this regard the authors draw on the works of higher education theorists such as Kuh Tinto Marton and Saeljoe The book is primarily a helpful resource for South African learners in school students at universities life orientation teachers as well as parents of prospective university students It will especially assist students to adapt to the university environment *Electronic Government and the Information Systems Perspective* Andrea Kö, Enrico Francesconi, Adeleh Asemi, Gabriele Kotsis, A Min Tjoa, Ismail Khalil, 2023-07-28 This book constitutes the proceedings of the 12th International Conference on Electronic Government and the Information Systems Perspective EGOVIS 2023 which took place in Penang Malaysia during August 28 30 2023 The 8 full papers presented together with 1 short paper were carefully reviewed and selected from a total of 17 submissions They were organized in topical sections as follows e Government strategy artificial intelligence *Education and Leadership* , 2008-01-01 This truly international book brings together authors from different regions of the world including North America South Africa Europe Iran and Russia all of whom are concerned with aspects of the challenges involved in the expansion of higher education both in student numbers and areas of study Some are concerned about the loss of guiding principles which steered university education for centuries The traditional purposes of higher education have come under such pressure that we have achieved conflicting models of the university Claes and ambiguity in regard to teaching and research Simons et al For others the problems are at a different

stage Contributions from South Africa look at three challenges Can we provide enough places in higher education How do we deal with institutional mergers How do we make staff development effective in a situation in which English is the first language of less than five percent of the staff Young scholars in Russian regions face formidable hurdles in achieving academic careers while the best law graduates in Canada are faced with the ethical dilemma of personal career advancement or social justice Topsakal The problem of integrating nursing into a traditional Irish university is reviewed by Grant while the role of a university in regional development is addressed from a Greek perspective by Papaelias et al The comparative international approach features in research into teacher job satisfaction in India and Iran while McMahon reviews the impact of the Bologna Process

Higher Education Pathways Ashwin, Paul, Case, Jennifer M., 2018-12-14 In what ways does access to undergraduate education have a transformative impact on people and societies What conditions are required for this impact to occur What are the pathways from an undergraduate education to the public good including inclusive economic development These questions have particular resonance in the South African higher education context which is attempting to tackle the challenges of widening access and improving completion rates in a system in which the segregations of the apartheid years are still apparent Higher education is recognised in core legislation as having a distinctive and crucial role in building post apartheid society Undergraduate education is seen as central to addressing skills shortages in South Africa It is also seen to yield significant social returns including a consistent positive impact on societal institutions and the development of a range of capabilities that have public as well as private benefits This book offers comprehensive contemporary evidence that allows for a fresh engagement with these pressing issues Let's Talk About Varsity, 2009

Factors Influence Students' Resistance to the NSFAS Online Funding Application Process at the Tshwane University of Technology Seipati Peggy Mochiza, 2016 The purpose of this study is to determine which factors influence the formation of intention to adopt the NSFAS online financial application system at Tshwane University of Technology TUT and to identify barriers to adoption experienced by the NSFAS applicants at TUT To achieve these objectives the study utilised the Technology Acceptance Model TAM and the Ram Sheth 1989 concept of barriers to model TUT NSFAS adoption patterns To test this conceptual framework a descriptive quantitative research survey approach was conducted Data was collected through self completion structured questionnaires from a sample of 644 TUT students in September 2015 SPSS Version 23 and STATA 12 were utilised to conduct descriptive and multivariate analyses including correlations and structural equation modelling respectively
