We fear that thinking about death will take the joy out of living. But in reality, when we actively think about death and prepare for it, we find peace, fulfillment, and happiness in our current lives, and our fear of death disappears. Over the course of many years, Lama Zopa Rinpoche has given profound and accessible teachings on death and dying. Heart Advice for Death and Dying contains Rinpoche's essential advice for preparing for the time of death and leading a fulfilling life. It includes an introduction by Kathleen McDonald Ven Sangye Khadro to Buddhist ideas about life, death, and what happens after death. Teachings by Lama Zopa Rinpoche on the fragility and impermanent nature of life. By not contemplating death, we will be swayed by the attachment clinging to the happiness of this life. By contemplating death, we will be inspired to begin, continue, and complete our Dharma practice. The nine-point meditation on death based on reflecting on how death is definite, how the time of death is indefinite, and how at the time of death only our Dharma practice will be of help to us. The dying process: what actually happens to us as we are dying. Preparing for death by practicing the five powers. Meditation on tonglen in order to develop bodhicitta: we visualize taking suffering upon our selfishness and giving our happiness away out of love. How to help and care for the dying and the dead. Practices to do before, during, and after someone's death. The benefits of Medicine Buddha practice. The Medicine Buddha Sadhana Mantras to benefit the dying and dead. Helpful Resources. Glossary. Included with this eBook is complimentary access to the online version of Heart Advice for Death and Dying, which is available on the FPMT Online Learning Center. This FPMT introductory course consists of 11 hours of teachings and guided meditations by Ven Sangye Khadro, a senior American teacher of Tibetan Buddhism, well known for her gentle yet profound teaching style. It is presented as a series of five sessions. Each session consists of teachings by Ven Sangye Khadro, available in both MP3 and written formats, supplemented by two guided meditations on related topics and two mindfulness practices. Each session concludes with some points for reflection intended to encourage a personal reflection and analysis of the topics.
