President Lyndon B Johnson **Pierre Koenig** Neil Jackson,2019-02-05 A heavily illustrated and highly designed tribute to
Los Angeles architect Pierre Koenig a key figure of the Los Angeles Modernist movement In this remarkable and gorgeously
illustrated book Neil Jackson presents a vibrant profile of the Los Angeles architect Pierre Koenig who Time magazine said

during World War II to the Case Study Houses and his later award laden years Jackson s study plots the evolution of Koenig s

by Jackson s exciting discoveries in Koenig s archive at the Getty Research Institute Drawings photographs diaries letters
lecture notes building contracts and university projects many of which are published for the first time provide an expanded
understanding of Koenig and additional context for his architectural achievements An examination of Koenig s Case Study
Houses shows how his often single minded and pragmatic approach to domestic architecture recognized the advantages of
production housing and presciently embraced sustainable ecologically responsible design A new account of the Chemehuevi
housing project in Havasu Lake California demonstrates the special role that learning and teaching played in the
