### Arranged Marriage

Arranged marriage is an issue in the Islam and Hindu religion. Muslims and Hindus don't think it's an issue, though. They believe that it's a good thing; to make your daughter marry a man she barely knows just because his family is a "good family." Marrying your daughter off to a man who she barely knows is like judging a book by its cover. You buy the book because the cover makes it look interesting. You marry your daughter off because the man seems like he and his family are the right match for her. Just because they look like a good family doesn't mean they actually are. Some Hindus marry off their daughter when she is only in her pre-teens. I don't understand why, especially when they marry her off to a man in his twenties or thirties. Arranged marriage should be illegal because women should have the right to know whether or not they're getting married and girls, as young as ten years old, are getting married.

Women should have the right to know whether or not they're getting married. Pinar Ilkkaracan states that, "More than half of women (50.8 percent) were married without their consent and 45.7 percent were not even consulted about their partner or the marriage. Those who had not met the husband before the marriage constituted 51.6 percent of the participants" (4). Ilkkaracan's point is that a little less than half of women don't even know they're going to get married, much less to who they're going to marry. In the article, "Islamic Restrictions on Turkish Women's Sexual Behavior Violate Their Rights," Ilkkaracan states, "Under the Turkish Civil Code, the consent of both the woman and the man is a precondition for marriage, yet women

### **Conjugal Relationships in Chinese Culture** Chi Sum Garfield Lau,Kelly Kar Yue Chan,2023-04-16

This book reviews the presentation of conjugal relationships in Chinese culture and their perception in the West It explores the ways in which the act of marriage is represented misrepresented in different literary genres as well as in cultural adaptations It looks at the gendered characteristics at play that affect conjugal relationships in Chinese societal practices more widely It also distinguishes between the essential features that give rise to nuptial arrangements from the Chinese perspective looking at what in which Sino and or Western mentalities differ in terms of notions of autonomy in marriage It excavates the extent to which marriage is constituted in forms of transaction between female and male bodies and asks under what circumstances wedding ceremonies constitute archetypal or counter archetypal notions in pre modern and modern society Authors cover a range of fascinating cultural topics such as posthumous marriage necrogamy as an ancient and popular folk culture from the perspective of Confucian ideology as well as looking at marriage from ancient to present times duty and rights in conjugal relations inter racial and inter cultural marriage widowhood in Confucian ideology issues of legitimacy in marriage and concubinage the taboos surrounding divorce and re marriage and conjugal violence The book serves to revisit the cultural connections between marriage and various art forms including literature film theatre and other adaptations It is a rich intellectual resource for scholars and students researching the historical roots cultural interpretations and evolving aspects of marriage as shown in literature art and culture

### **Heroic Disobedience: The Forced Marriage Plot and the British Novel, 1747-1880** Leah Grisham,2023-10-10

Heroic Disobedience The Forced Marriage Plot and the British Novel 1747-1880 shows the ways in which eighteenth and nineteenth century novels used what the author terms the forced marriage plot a plot arc in which a greedy father tries to force his daughter into a marriage she does not want but that would be financially expedient to himself to explore capitalism s detrimental impacts on women s right to autonomy As capitalist economic practices replaced mercantilism a woman s value was seen primarily in the economic sense That is men came to recognize that women especially young marriageable women could be used as objects of exchange between men Recognizing this

phenomenon the novelists considered in Heroic Disobedience Samuel Richardson Charlotte Lennox Mary Robinson Charlotte Smith Jane Austen Charles Dickens Elizabeth Stone and Anthony Trollope depict the very specific ways in which women were raised to become willing pawns in this system Religious discourse conduct guides marriage and property laws wages lack of meaningful education and inheritance practices combined to leave women with no other options besides dependence on their patriarchs Importantly authors who use the forced marriage plot go beyond exposing women's subjugation by creating and celebrating heroically disobedient heroines who believe above all else that they have the right to determine their own futures futures in which they are autonomous agents not subjected objects *Manushi*, 1994 A journal about women and society

Political Theory and Australian Multiculturalism Geoffrey Brahm Levey, 2012 This book is the product of a workshop sponsored by the Academy of the Social Sciences in Australia and the Australian Government Department of Immigration and Multicultural and Indigenous Affairs T p verso **Everyday Women's and Gender Studies** Ann Braithwaite, Catherine Orr, 2016-08-11 Introducing Women's and Gender Studies approaches feminism in terms of major contributions debates and themes and focuses on the connectivity of these debates The authors introduce a concept knowledges bodies identities equalities representations places affects and contextualize it with an introductory essay The readings associated with each essay all of them contemporary take varied perspectives on each topic e.g. identity and conformity identity and nonconformity identity's relation to biology identity and sexuality etc The readings and introductory essays demonstrate how the topics are interconnected and allow students to make connections The companion website will contain teaching tips bonus readings and other pedagogical materials *Ascent*, 2002 *The Journal of Medieval and Early Modern Studies*, 2008
