dismiss the importance of the national content either AZ RELEP's national key point reviews are a succinct compression of tested national principles and practices that comprise the national portion of state license exams from coast to coast. Our content is drawn from our own national textbook *Principles of Real Estate Practice* one of the most widely used principles textbooks in the country. Finally our national content as well as our question selection is further tailored to the state testing outline promulgated by Pearson Vue for Arizona. A word about the test questions AZ RELEP's testing practice section consists of ten national practice tests three state practice tests and one state exam sample test. The practice tests are roughly 50 questions in length and the sample test is 125 questions. The test questions are designed to cover the content covered by the law reviews which reinforces your learning of the total body of information tested by your state exam. The questions are direct to the point and designed to test your understanding. When you have completed a given test you can check your answers against the answer key in the appendix. You may also note that each question's answer is accompanied by a brief explanation or rationale to further reinforce your understanding. In the end as you know it's all up to you. Unlike other publications we are not going to tell you that using this book will guarantee that you pass your state exam. It still takes hard work and study to pass.
