## **Armageddon The Alpha And The Omega:**

**Armageddon: the Alpha and the Omega** Bonnie Bell, 2014-12-31 Armageddon the Alpha and Omega looks at the Bible in a whole new light Never before exposed information is revealed in this book Digging deep into the pages of the Bible this little book will discuss the beginning the reason mankind was created reincarnation dinosaurs and the end There is no subject that has been left off the table For you see there was nothing hid that would not be revealed or hid that would not be made known Luke 8 17 and Mathew 10 26 In Ezekiel the prophet mentions a wheel within a wheel when the Lord descends from heaven This has spawned the idea that the Bible is about space aliens Are those who live in heaven space aliens I leave this up to the reader to decide Armageddon The Alpha and the Omega is just a fraction of the wisdom and insight obtained by Bonnie B Bell This book is a culmination of over 40 years of research experience and education With degrees in business management and a lengthy career in executive sales as well as living abroad for many years Bell has turned her attentions to a nearly lifelong thirst for knowledge and truth

*Armageddon II* Bonnie Bell, 2013-12-23 Armageddon II the Alpha and Omega will look at the Bible in a whole new light Never before exposed information will be revealed as this book digs deep into the pages of the Bible For you see there is nothing hid that would not be revealed Luke 8 17 Mathew 10 26 *Divine decree, and free will: or, More notes on prophecy [an interpretation of the book of Revelation] by the author of 'The spiritual and physical history of our fallen and redeemed world'.* Divine decree, 1878

**The Wedding of the Lamb** James L. Papandrea, 2011-01-01 The Wedding of the Lamb does not fit into any of the traditional categories of interpretation for the book of Revelation The author uses historical sources to combine New Testament interpretation with the history of the Roman early Christian period to present an interpretation that is meant to approximate the way the early Christians would have understood the text Far from a doomsday message the message of Revelation is one of hope for a Church in the midst of persecution The result is an interpretation which unlike the proliferation of fictionalized accounts of the end times recognizes that most of the images in the book of Revelation are references to events in the history of the Church

**The Apocalypse Translated and Expounded.** By James Glasgow , 1872 **Christianity and Comics** Blair Davis, 2024-03-15 The Bible has inspired Western art and literature for centuries so it is no surprise that Christian iconography characters and stories have also appeared in many comic books Yet the sheer stylistic range of these comics is stunning They include books from Christian publishers as well as underground comix with religious themes and a vast array of DC Marvel and Dark Horse titles from Hellboy to Preacher Christianity and Comics presents an 80 year history of the various ways that the comics industry has drawn from biblical source material It explores how some publishers specifically targeted Christian audiences with titles like Catholic Comics books featuring heroic versions of Oral Roberts and Billy Graham and special religious themed editions of Archie But it also considers how popular mainstream comics like Daredevil The Sandman Ghost Rider and Batman are infused with Christian themes and imagery Comics scholar Blair Davis pays special attention to how the medium s unique use

of panels word balloons captions and serialized storytelling have provided vehicles for telling familiar biblical tales in new ways Spanning the Golden Age of comics to the present day this book charts how comics have both reflected and influenced Americans changing attitudes towards religion

**Figuring Poesis** Evans Lansing Smith,1997 Figuring Poesis focuses on the interrelations between myth and geometrical symbolism in literature since the end of the Second World War Detailed readings of a wide range of works contextualize allusions to the myths of the apocalypse the great goddess alchemy the labyrinth and the descent to the underworld The geometrical symbols that occur in conjunction with these myths serve as images of poesis and hermeneusis The conclusion brings postmodernist paintings and architecture into the discussion and develops an iconography of form
