Jaycock, 2020-01-19 A military historian assesses the leadership style of the man who defeated Napoleon The Duke of Wellington's victory at the Battle of Waterloo cemented his reputation as a great general and much subsequent writing on his career has taken an uncritical sometimes chauvinistic view of his talents Little has been published that fully pins down the

reality of Wellington's leadership clearly identifying his weaknesses as well as his strengths George E Jaycock in this perceptive and thought provoking reassessment does not aim to undermine Wellington's achievements but to provide a more nuanced perspective He clarifies some simple but fundamental truths regarding his leadership and his performance as a commander Through an in depth study of his actions over the war years of 1808 to 1815 the author reassesses Wellington's effectiveness as a commander the competence of his subordinates and the qualities of the troops he led His study gives a fascinating insight into Wellington's career and abilities Wellington's Command is absorbing reading for both military historians and those with an interest in the Napoleonic period

Ukraine and Beyond Janne Haaland Matlary, Tormod Heier, 2016-08-05 This book is the first full spectrum analysis of Russian and European norms of political action ranging from international law ethics and strategy to the specific norms for the use of force It brings together leading scholars from these various fields examining the differences in norm understanding between Russia and Europe In light of the 2014 occupation and annexation of Crimea by Russia and its subsequent covert participation in the internal affairs of Ukraine including aggressive flying and major military exercises Russia seems to be a classical revisionist power intent on changing the balance of power in Europe in particular It also reaches beyond Europe inserting itself as the key actor in the Syrian war The book therefore considers how we should understand Russia It also questions whether or not the West in particular Europe responds adequately in this delicate and dangerous new situation The book concludes that at present Russia acts strategically and with considerable success whereas Europe is reactive in its response

Turning Points Richard L. DiNardo, 2020-02-24 This book provides a comprehensive and illuminating study of some of the most crucial campaigns on the Eastern Front during what was perhaps the most momentous year of World War I in that battleground Turning Points The Eastern Front in 1915 offers a well researched and fascinating study of war in a distinct theater of operations and shows how it was impacted by diplomacy coalition warfare command technology and the environment in which it is conducted In contrast to those on the Western Front lines in the east in 1915 moved hundreds of miles Although the work focuses more on the Central Powers significant attention is also given to the Russians The book follows the course of events on the Eastern Front during the critical year of 1915 proceeding chronologically from January 1915 to the end of active operations in October with a brief mention of some action in December In addition to the better known campaigns in the Carpathians and Gorlice Tarnow the work covers lesser known operations including the Second Battle of the Masurian Lakes the Austro-Hungarian Black Yellow offensive into eastern Galicia and the German move into Lithuania Naval action on the Baltic Sea is also covered *Congressional Record* United States. Congress, 1997

Edinburgh Companion to First World War Periodicals Birgit van Puymbroeck, Cedric Van Dijck, Marysa Demoor, 2022-10-26 While literary scholars and historians often draw on the press as a source of information First World War periodicals have rarely been studied as cultural artefacts in their own right However as this volume shows the press not only played a vital role in the conflict but also underwent

significant changes due to the war This Companion brings together leading and emerging scholars from various fields to reassess the role and function of the periodical press during the so called Greater War It pays specific attention to the global aspects of the war as well as to different types of periodicals that existed during the conflict ranging from trench hospital and camp journals to popular newspapers children s magazines and avant garde journals in various national and cultural contexts
