Department of the Army, 1994 The Becoming ,B.W.E.,2025-03-25 If you picked up this book then you have a hunger within you driving your curiosity This book is going to be a bridge for all of you to discover something within yourselves I wrote the book to help everyone who is ready to accept what s inside It is not meant for everyone nor is it meant to offend anyone We are all surrounded by internal and external desires temptations self indulgences materialistic items and so on I hope you enjoy the read and if it is for you I hope you spread the word to help others like us 2 **The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces** ,1885 Arctic Warrior Jim Hindle,2023-11-17 The years from 1960 until 1980 were probably the height of the Cold War between the USSR and the Western nations divided by Churchill s famous Iron Curtain The threat to world peace felt real and the West in the form of NATO needed a high profile quick reaction force to address this threat to any NATO country with a common border with the USSR The result was the formation in 1960 of a new Force the Allied Command Europe ACE Multinational Force Land or AMF L In 1967 the Royal Corps of Signals added its first permanent unit to this force and this commitment continued until the disbandment of AMF L in 2002 Becoming an Arctic Warrior required each man to undertake specialist survival and winter warfare training in order to be able to fight effectively in extreme and inhospitable conditions This book is a collection of individual soldiers experiences of serving with this force along the common borders with the USSR predominantly in Arctic Norway Turkey and Greece **Once I Had a Comrade** R. W. Byrd,2006 Once I Had a Comrade is the story of the author s German father in law Karl Roth who grew up during the tumultuous 1930s in the Franconian town of Schweinfurt located in northern Bavaria and of his regiment 36th Panzer Regiment When the Second World War began he found himself conscripted into the army and assigned as maintenance private to the headquarters company of Schweinfurt s new branch of service the 36th Panzer Regiment assigned to 4th Panzer Division until November 1940 14th Panzer Division thereafter They participated in the campaigns in Poland 1939 France 1940 and Yugoslavia 1941 before serving on the Eastern Front southern sector until destruction at Stalingrad 1943 The division was then rebuilt and again served in the southern sector of Russia before being transferred to Kurland in late 1944 where it saw out the rest of the war serving with 18th Army During these campaigns Karl Roth repaired nearly every type of tank in the German arsenal holding the rank of master sergeant by the end of the war After six years of conflict he survived being blown off his tank dysentery malaria weeks separated behind enemy lines a possible court martial and was awarded the Gold Tank Destruction Badge As Richard Byrd began to research the story several questions arose about the unit and his father in law including What kind of man was he Where did he fight and what tactics were used Why wasn t a regimental history written after the war What was their strength and what strategic events affected them Many of the answers to these questions were supplied by books but more important than all the numbers and

statistics gathered for the research were the first hand accounts related to him by his mother in law and survivors of the regiment who have provided a host of original photographs and anecdotes explaining the human aspect of the 36th Panzer Regiment s history This book then is a tribute to Roth and his comrades and to all soldiers who aspire to commendable and honorable action during time of war Key sales points Provides the first history of 36th Panzer Regiment yet published in any language Combines operational details with fascinating personal accounts telling the story of Karl Roth and his comrades Features over 150 b w photos many previously unpublished A major contribution to the history of the Panzertruppen
