*Reporting at Wit's End* St. Clair McKelway, 2010-07-22 Why does A.J. Liebling remain a vibrant role model for writers while the superb prolific St. Clair McKelway has been sorely forgotten James Wolcott asked this question in a recent review of the Complete New Yorker on DVD Anyone who has read a single paragraph of McKelway's work would struggle to provide an answer His articles for the New Yorker were defined by their clean language and incomparable wit by his love of New York's rough edges and his affection for the working man whether that work was come by honestly or not Like Joseph

Mitchell and A J Liebling McKelway combined the unflagging curiosity of a great reporter with the narrative flair of a master storyteller William Shawn the magazine's long time editor described him as a writer with the lightest of light touches His style is so striking Shawn went on to say that it was too odd to be imitated The pieces collected here are drawn from two of McKelway's books True Tales from the Annals of Crime and Rascality 1951 and The Big Little Man from Brooklyn 1969 His subjects are the small players who in their particulars defined life in New York during the 36 years McKelway wrote the junkmen boxing cornermen counterfeiters con artists fire marshals priests and beat cops and detectives The rascals An amazing portrait of a long forgotten New York by the reporter who helped establish and utterly defined New Yorker fact writing Untitled Collection is long overdue celebration of a truly gifted writer
